

NX8 2.5-20X50MM F1 RIFLE SCOPES - NX8 2.5-20X50MM FFP ILLUMINATED HORUS TREMOR3 DARK EARTH

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 2.5-20x50 F1 riflescope is an ultra-compact and capable riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. The integrated PTL (Power Throw Lever) makes power changes fast and easy. The performance available in such a compact size makes the NX8 2.5-20x50 F1 a perfect choice for your favorite semi-auto precision rifle or compact bolt-action rifle. 8x zoom range Red and Green Illumination 32 MRAD/110 MOA total Elevation 23 MRAD/80 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

NX8 2.520X50MM F1 RIFLE SCOPES Safety Instruction Guide

Introduction

Thank you for choosing the NX8 2.520X50MM F1 Rifle Scope. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use, install, and maintain your riflescope safely and effectively.

General Safety Guidelines

- Always treat your riflescope as if it is loaded and handle it with care.
- Ensure that you are familiar with local laws and regulations regarding the use of rifles and scopes.
- Keep the riflescope out of reach of children and unauthorized users.
- Inspect the riflescope for any damage before use. Do not use if damaged.
- Use the riflescope only for its intended purpose: to enhance the accuracy of your shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with a scope.
- Ensure the riflescope is securely mounted to the firearm before use.
- Do not look directly at the sun through the riflescope, as this can cause permanent eye damage.
- Be cautious of recoil when firing; ensure the riflescope is properly secured to avoid damage or injury.
- Adjust the illumination settings responsibly to maintain visibility without causing distraction.
- Use the ZeroStop elevation adjustment carefully to avoid miscalculating your shots.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Choose a suitable mounting base that is compatible with your rifle.
- Securely attach the riflescope to the base using the provided mounting rings and screws.
- Ensure the riflescope is level and aligned with the barrel of the rifle.

2. Adjusting the Scope:

- Set the magnification to your desired level, starting from the minimum (2.5x).
- Adjust the parallax setting to match your shooting distance, ensuring clarity.

Usage

1. Illumination:

- To activate the illumination, locate the control dial and select either red or green illumination based on your preference and lighting conditions.

2. Zeroing the Scope:

- Follow the manufacturer's instructions to zero your scope accurately, ensuring precise targeting.
- Use the ZeroStop feature to return to your zero setting quickly after making adjustments.

3. Maintenance:

- Regularly clean the lenses with a soft, lintfree cloth to maintain clarity.
- Store the riflescope in a cool, dry place when not in use to prevent moisture damage.
- Check the mounting screws periodically to ensure they are tight.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste.
- Do not throw the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the NX8 2.520X50MM F1 Rifle Scope, please refer to the manufacturer's website or customer service.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your NX8 2.520X50MM F1 Rifle Scope. Always prioritize safety in all shooting activities.
