

# NX8 4-32X50MM F1 RIFLE SCOPES - NX8 4-32X50MM F1 FFP ILLUMINATED TREMOR 3 RETICLE DARK EARTH

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 4-32x50 F1 riflescope is a compact and capable long range riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. An integrated PTL (Power Throw Lever) makes power changes fast and easy. The compact size and incredible capability of the NX8 4-32x50 F1 makes it an instant favorite for nearly any rifle and intended use. 8x zoom range Red and Green Illumination 26 MRAD/90 MOA total Elevation 20 MRAD/70 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

# NX8 432X50MM F1 Rifle Scope Safety Instructions

## Introduction

Thank you for choosing the NX8 432X50MM F1 Rifle Scope. This highperformance riflescope is designed for longrange shooting and offers advanced features for improved accuracy and usability. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle the riflescope with care to prevent damage.
- Use the scope only for its intended purpose—longrange shooting.
- Ensure you are familiar with local laws and regulations regarding the use of riflescopes.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- If you notice any defects, discontinue use and contact a qualified professional for assistance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use eye protection when shooting to prevent injury from recoil or debris.
- **Secure Mounting:** Ensure the riflescope is securely mounted to the rifle to avoid misalignment and potential accidents.
- **Check Zeroing:** Regularly check the zeroing of the scope to maintain accuracy.
- **Illumination Caution:** Be cautious when using the illumination feature; do not point the illuminated reticle at anyone's eyes.
- **Environmental Considerations:** Avoid using the scope in extreme weather conditions that could affect performance, such as heavy rain or snow.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the installation manual that comes with the riflescope.
- Use the appropriate tools to mount the scope securely to the rifle.
- Ensure the scope is level and aligned with the rifle barrel.
- Tighten all mounting screws to the manufacturer's specifications.

### 2. Usage:

- Adjust the magnification according to your shooting distance.
- Use the parallax adjustment to ensure clarity at varying distances.
- Utilize the ZeroStop elevation adjustment for quick return to zero.
- Familiarize yourself with the reticle and its features before shooting.
- Always check your surroundings and ensure a clear line of sight before firing.

## Disposal Instructions

- Dispose of the riflescope in accordance with local regulations for electronic waste.
- Remove the battery before disposal and recycle it according to local guidelines.
- Do not dispose of the product in regular household waste to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the NX8 432X50MM F1 Rifle Scope, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the NX8 432X50MM F1 Rifle Scope!
