

NX8 1-8X24MM FFP RIFLE SCOPE - NX8 1-8X24MM FFP ILLUMINATED FC-DMX RETICLE DARK EARTH

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Offers Owners a Leading Rifle Optic

The NX8 1-8X24 F1 is a class leading, compact and lightweight riflescope optimized for short to mid-range shooting. At only 8.75" in length and 17 ounces, this riflescope adds minimal size and weight but delivers superior optics and trusted Nightforce performance to any rifle. With the daylight visible center red dot users can engage targets with speed like a red-dot sight, but as targets increase in distance the intelligent first focal plane reticle provides precise hold points. For those preferring to dial for long shots, the ZeroStop elevation adjustment allows for a rapid and positive return to zero. To aid in fast magnification adjustments, a built-in Power Throw Lever (PTL) is included. First Focal Plane Reticle Weighs 17 ounces Built on a 30mm tube 0.2 MRAD or 0.50 MOA adjustments 100 MOA/30 MRAD of total internal adjustment

NX8 18X24MM FFP RIFLE SCOPE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the NX8 18X24MM FFP Rifle Scope. This guide provides essential safety instructions and usage guidelines to ensure a safe experience with your product. Please read this manual carefully before use to understand the safety precautions and proper operation of your rifle scope.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the NX8 Rifle Scope. This product is designed for nonfood use and complies with EU safety regulations.
- **Hazard Identification:** Be aware of potential hazards associated with using a rifle scope, including improper handling, misuse, or failure to follow safety instructions.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, you will be notified through standardized notices.
- **Online Shopping Protections:** If purchased online, know that you have the same safety protections as when buying in physical stores.
- **Special Consumer Focus:** Extra precautions are recommended for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the appropriate EU contact point designated for this product.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on unsafe products and recalls.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that it is not used by minors.
- **Proper Handling:** Always handle the rifle scope with care. Avoid dropping or subjecting it to impact, as this may cause internal damage.
- **Mounting and Dismounting:** Ensure the scope is securely mounted on the firearm before use. Follow the manufacturer's guidelines for mounting.
- **Environmental Considerations:** Avoid using the scope in extreme temperatures or harsh weather conditions that may affect its performance.
- **Cleaning and Maintenance:** Use a soft cloth to clean the lenses. Avoid using abrasive materials that may scratch the lens surface.
- **Avoiding Distractions:** When using the rifle scope, ensure you are in a safe environment free from distractions and potential hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before mounting the rifle scope.
- Attach the scope to the rifle using the provided mounting rings and base. Follow the manufacturer's instructions for securing the scope.
- Adjust the scope to your desired position for optimal eye relief and comfort.

2. Usage:

- Before using the scope, familiarize yourself with its features, including the reticle and magnification settings.

- Use the daylight visible center red dot for quick target acquisition in welllit environments.
- For longdistance shooting, utilize the first focal plane reticle for precise hold points.
- Adjust the magnification using the builtin Power Throw Lever (PTL) for quick changes as needed.
- Use the ZeroStop elevation adjustment to return to your set zero after making adjustments.

3. Safety Checks:

- Always perform a safety check on your firearm before aiming and shooting.
- Ensure the area is clear of bystanders and that you are following all firearm safety protocols.

Disposal Instructions

- Dispose of the NX8 Rifle Scope according to local regulations and guidelines for electronic waste.
- Remove any batteries (e.g., CR2032) before disposal and recycle them according to local battery recycling programs.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the NX8 18X24MM FFP Rifle Scope, please refer to your retailer or the official manufacturer's website for support and additional resources.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your NX8 18X24MM FFP Rifle Scope. Thank you for your attention to safety.
