

# ULTRALIGHT RINGS - 30MM MEDIUM 1.0" 4 SCREW XTRM ULTRALITE RINGS DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Designed to fit Mil-Std. 1913 scope bases, Nightforce rings are precisely manufactured to match the machined recess of a Nightforce Mil-Std. 1913 base, providing perfect alignment and accuracy. Nightforce rings are designed and produced in-house to exacting specifications entirely out of steel or from 7075-T6 aluminum with beta series titanium crossbolts and jaws. All Nightforce rings are 100% micro-radiused and honed in pairs for perfect fit of 30mm scope tubes to prevent the possibility of the rings damaging your scope.

## Attributes

# ULTRALIGHT RINGS 30MM MEDIUM 1.0" 4 SCREW XTRM ULTRALITE RINGS DARK EARTH Safety Instruction Guide

## Introduction

Thank you for choosing the ULTRALIGHT RINGS 30MM MEDIUM 1.0" 4 SCREW XTRM ULTRALITE RINGS in Dark Earth. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. By following these instructions, you will help maintain a safe environment for yourself and others.

## General Safety Guidelines

- Ensure that the rings are compatible with your scope and firearm before installation.
- Always inspect the rings for signs of damage or wear before each use.
- Keep the rings out of reach of children and vulnerable individuals.
- Use the rings only for their intended purpose as specified in this guide.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded and pointed in a safe direction during installation.
  - Use appropriate tools to avoid damaging the rings or the scope during installation.
- **Operating Environment:**
  - Avoid using the rings in extreme temperatures or harsh conditions that may compromise their integrity.
- **Regular Maintenance:**
  - Periodically check the tightness of the screws to ensure stability.
  - Clean the rings with a soft cloth to prevent dirt and debris buildup, which may affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and screwdrivers.
- Ensure that your scope and firearm are clean and free from any obstructions.

### 2. Installation Steps:

- Place the ULTRALIGHT RINGS on the MilStd. 1913 scope base, aligning the rings with the machined recess.
- Carefully position the scope within the rings, ensuring it is centered and level.
- Secure the rings by tightening the screws evenly to the manufacturer's specified torque settings.
- Doublecheck the alignment and stability of the scope before use.

### 3. Usage:

- Once installed, do not exceed the weight limit specified for your scope.
- Always handle your firearm responsibly and follow all safety protocols during use.

## Disposal Instructions

- Dispose of the ULTRALIGHT RINGS in accordance with local regulations regarding metal and aluminum recycling.
- Ensure that any packaging materials are disposed of responsibly to minimize environmental impact.

## Contact Information for Further Support

For inquiries regarding safety or product performance, please reach out to the manufacturer or authorized dealer. They will provide assistance and guidance regarding any concerns or issues you may encounter.

By adhering to these safety instructions and guidelines, you will ensure the safe and effective use of your ULTRALIGHT RINGS. Thank you for prioritizing safety and responsible usage.
