

# ULTRALIGHT RINGS - 30MM X-HIGH 1.375" 4 SCREW XTRM ULTRALITE RINGS DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Designed to fit Mil-Std. 1913 scope bases, Nightforce rings are precisely manufactured to match the machined recess of a Nightforce Mil-Std. 1913 base, providing perfect alignment and accuracy. Nightforce rings are designed and produced in-house to exacting specifications entirely out of steel or from 7075-T6 aluminum with beta series titanium crossbolts and jaws. All Nightforce rings are 100% micro-radiused and honed in pairs for perfect fit of 30mm scope tubes to prevent the possibility of the rings damaging your scope.

## Attributes

- Name: [30MM X-HIGH 1.375" 4 SCREW XTRM ULTRALITE RINGS DARK EARTH](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 430101175
- Mfr. No.:
- Finish: Dark Earth
- Height: 1.375"
- Material: -
- Scope Tube Diameter: 30mm
- Size: Extra High
- Style: Picatinny
- Delivery weight: 0.136kg
- Shipping height: 25mm
- Shipping width: 140mm
- Shipping length: 152mm
- UPC: 847362023502

# ULTRALIGHT RINGS 30MM XHIGH 1.375" 4 SCREW XTRM ULTRALITE RINGS DARK EARTH Safety Instruction Guide

## Introduction

Thank you for choosing the ULTRALIGHT RINGS 30MM XHIGH 1.375" 4 SCREW XTRM ULTRALITE RINGS in Dark Earth. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the rings for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to scope misalignment or damage.
  - Using the rings with incompatible scope tubes may result in failure.
  - Excessive force during installation may cause damage to the rings or the scope.
- **Instructions to Avoid Hazards:**
  - Always use tools as recommended in the installation instructions.
  - Do not exceed the torque specifications provided by the manufacturer.
  - Ensure the scope tube is compatible with the 30mm diameter of the rings.
  - Avoid using the rings in extreme environmental conditions without proper precautions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the following tools ready: a torque wrench, appropriate screwdrivers, and a clean workspace.
- Carefully remove the ULTRALIGHT RINGS from the packaging, inspecting them for any visible damage.
- Align the rings with the scope base following the manufacturer's specifications.
- Secure the rings onto the base using the provided screws. Ensure they are tightened evenly.
- Use a torque wrench to tighten screws to the manufacturer's specified torque settings.

### 2. Usage:

- Once installed, carefully mount your scope into the rings.
- Adjust the scope for optimal eye relief and alignment.

- Regularly check the tightness of the screws and the alignment of the scope during use.

### **3. PostInstallation Care:**

- Periodically inspect the rings and scope for any signs of wear or misalignment.
- Clean the rings with a soft, dry cloth. Avoid using harsh chemicals that may damage the finish.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling parts where possible, especially metals and plastics.

## **Contact Information for Further Support**

For any questions or concerns regarding the ULTRALIGHT RINGS, please refer to the manufacturer's contact information provided with your product. Ensure to have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your ULTRALIGHT RINGS!
