

ULTRAMOUNT SCOPE MOUNTS - 30MM 1.540" 0 MOA ULTRAMOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Nightforce UltraMount was originally designed and chosen to meet the needs of USSOCOM's S-VPS, R-VPS, and P-VPS riflescope programs. The UltraMount's engineered combination of aluminum, steel, and titanium balances weight, strength, and stiffness to ensure a reliable and repeatable mounting solution for both bolt guns and gas guns. The UltraMount is available in many commercial configurations*: Dark Earth or Black anodizing, 1.54in or 1.93in height, and 0MOA or 20MOA bias options. Weights: 1.54in Height: 5.9oz 1.93in Height: 6.1oz

ULTRAMOUNT SCOPE MOUNTS 30MM 1.540" 0 MOA ULTRAMOUNT BLACK Safety Instruction Guide

Introduction

Thank you for choosing the Nightforce UltraMount Scope Mounts. This guide provides essential safety information and instructions for the proper use and installation of your product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's specifications.
- Inspect the product for any visible damage or defects before use.
- Do not exceed the weight limit specified for the mount.
- Ensure that the scope is compatible with the UltraMount before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- *Hazard Identification:*
 - Improper installation may lead to scope misalignment or detachment.
 - Using the mount with incompatible scopes may cause damage to the scope or the mount.
- *Avoiding Hazards:*
 - Always follow the installation instructions provided in this guide.
 - Ensure that all screws and mounting hardware are tightened to the manufacturer's specifications.
 - Regularly check the mount for signs of wear or damage, especially after heavy use.

Instructions for Installation and Usage

- *Installation Steps:*
 1. Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
 2. Ensure that the firearm is unloaded and pointed in a safe direction.
 3. Remove any existing scope mounts from the firearm.
 4. Position the UltraMount on the Picatinny rail of the firearm.
 5. Align the mount with the desired position, ensuring that it is straight and secure.
 6. Using the torque wrench, tighten the mounting screws to the specified torque (refer to the manufacturer's specifications).
 7. Attach the scope to the UltraMount, ensuring that it is properly aligned.
 8. Tighten the scope rings to secure the scope in place.
- *Usage Guidelines:*
 - Always verify that the scope is securely mounted before use.
 - Regularly check the mount and scope for any movement or looseness during use.
 - Avoid exposing the mount to extreme conditions that could affect its integrity.

Disposal Instructions

- Dispose of the UltraMount in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Contact local recycling facilities for information on proper disposal methods.

Contact Information for Further Support

For any inquiries related to product safety or usage, please reach out to the manufacturer's customer support team. They can provide additional guidance and assistance regarding your UltraMount Scope Mounts.

By following these guidelines, you can ensure a safe and effective experience with your Nightforce UltraMount Scope Mounts. Thank you for your attention to safety.
