

ULTRAMOUNT SCOPE MOUNTS - 30MM 1.540" 0 MOA

ULTRAMOUNT DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Nightforce UltraMount was originally designed and chosen to meet the needs of USSOCOM's S-VPS, R-VPS, and P-VPS riflescope programs. The UltraMount's engineered combination of aluminum, steel, and titanium balances weight, strength, and stiffness to ensure a reliable and repeatable mounting solution for both bolt guns and gas guns. The UltraMount is available in many commercial configurations*: Dark Earth or Black anodizing, 1.54in or 1.93in height, and 0MOA or 20MOA bias options. Weights: 1.54in Height: 5.9oz 1.93in Height: 6.1oz

ULTRAMOUNT SCOPE MOUNTS 30MM 1.540" 0 MOA ULTRAMOUNT DARK EARTH Safety Instructions

Introduction

Thank you for choosing the Nightforce UltraMount Scope Mounts. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the UltraMount is compatible with your scope and firearm before installation.
- Always handle firearms with care and follow all applicable safety regulations.
- Inspect the UltraMount for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using firearms equipped with the UltraMount.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always check that the mount is securely attached before using your firearm.
- Avoid overtightening screws, as this may damage the mount or your scope.
- Regularly inspect the mount for signs of wear or loosening, especially after heavy use.
- Use only recommended tools for installation to avoid damaging the product.
- Follow the manufacturer's recommendations for scope mounting and alignment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: a torque wrench, appropriate screwdrivers, and any other recommended tools.
- Ensure your workspace is clean and free of distractions.

2. Installation:

- Remove any existing mounts or accessories from your firearm.
- Align the UltraMount with the Picatinny rail on your firearm.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications using a torque wrench.
- Attach your scope to the UltraMount, following the manufacturer's instructions for scope placement and alignment.

3. Usage:

- Before using your firearm, doublecheck that the scope is properly mounted and aligned.
- Always perform a function check to ensure that the scope operates correctly with the mount.
- If you experience any issues during use, cease operation immediately and inspect the mount and scope.

Disposal Instructions

- Dispose of the UltraMount in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- Ensure that any packaging materials are also disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding safety, usage, or warranty, please refer to the manufacturer's customer support resources. They can provide assistance and further information on your product.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your equipment are our top priorities. Enjoy your shooting experience with the Nightforce UltraMount Scope Mounts!
