# ULTRAMOUNT SCOPE MOUNTS 30MM 1.540" 20 MOA ULTRAMOUNT BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the Nightforce UltraMount Scope Mounts. This safety instruction guide provides essential information to ensure the safe and proper use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- The UltraMount is designed for use with bolt guns and gas guns only. Do not use it with other types of firearms.
- Always ensure that the mounting system is compatible with your specific riflescope and firearm.
- Regularly inspect the UltraMount for signs of wear or damage before each use.
- Keep the UltraMount out of reach of children and vulnerable individuals to prevent misuse.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the scope mount.
- Use appropriate tools when installing the UltraMount to avoid damaging the product or firearm.
- Do not exceed the manufacturer's recommended torque specifications when securing the mount.
- Avoid exposing the UltraMount to extreme temperatures or harsh chemicals, which may compromise its integrity.
- If you notice any unusual behavior or performance issues with the UltraMount, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools, including a torque wrench and appropriate screwdrivers.
- Read the installation manual provided with your riflescope for specific mounting instructions.

### 2. Installation Steps

- Unload your firearm and ensure it is in a safe condition.
- Align the UltraMount with the Picatinny rail on your firearm.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Check the alignment of your scope within the mount to ensure proper sighting.

### 3. Usage Steps

- Once installed, perform a function check to ensure the scope is securely mounted.
- Adjust the scope settings as necessary for your shooting conditions.
- Regularly check the mount's security during use and after heavy shooting sessions.

## **Disposal Instructions**

- Dispose of the UltraMount in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the UltraMount Scope Mounts, please refer to the manufacturer's contact information provided with your product. Ensure that you have your product details ready when reaching out for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Nightforce UltraMount Scope Mounts. Thank you for your attention to safety, and enjoy your shooting experience!
