

ULTRAMOUNT SCOPE MOUNTS - 30MM 1.930" 0 MOA ULTRAMOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Nightforce UltraMount was originally designed and chosen to meet the needs of USSOCOM's S-VPS, R-VPS, and P-VPS riflescope programs. The UltraMount's engineered combination of aluminum, steel, and titanium balances weight, strength, and stiffness to ensure a reliable and repeatable mounting solution for both bolt guns and gas guns. The UltraMount is available in many commercial configurations*: Dark Earth or Black anodizing, 1.54in or 1.93in height, and 0MOA or 20MOA bias options. Weights: 1.54in Height: 5.9oz 1.93in Height: 6.1oz

ULTRAMOUNT SCOPE MOUNTS 30MM 1.930" 0 MOA ULTRAMOUNT BLACK Safety Instruction Guide

Introduction

Thank you for choosing the Nightforce UltraMount Scope Mounts. This guide provides important safety information and instructions to ensure safe and effective use of your product. Please read through this document carefully before using the UltraMount.

General Safety Guidelines

- Ensure that the UltraMount is installed by a qualified individual or professional gunsmith to avoid any potential hazards.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the UltraMount for signs of wear or damage that may affect performance.
- Keep the UltraMount out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the UltraMount only with compatible scopes and firearms as specified by the manufacturer.
- Do not exceed the recommended weight limits for the scope and accessories mounted on the UltraMount.
- Ensure that all screws and fasteners are securely tightened before use.
- Avoid using the UltraMount in extreme conditions that may compromise its integrity, such as excessive heat or moisture.
- Do not modify the UltraMount in any way, as this could lead to failure and potential injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench, appropriate screwdrivers, and any other tools specified by the manufacturer.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.

2. Installation Steps

- Carefully read the UltraMount installation manual provided with the product.
- Align the UltraMount with the Picatinny rail on the firearm, ensuring proper fit.
- Securely attach the UltraMount using the provided screws and fasteners. Follow the torque specifications outlined in the manual to ensure proper installation.
- Mount the scope onto the UltraMount, ensuring it is correctly positioned and aligned for optimal performance.
- Doublecheck all fasteners and ensure they are tightened to the recommended torque settings.

3. Usage

- Once installed, perform a function check to ensure that the scope is securely mounted and that all adjustments work as intended.
- During use, periodically check the UltraMount and scope for any signs of looseness or damage.

- If any issues are detected, stop using the firearm and inspect the UltraMount before proceeding.

Disposal Instructions

- When disposing of the UltraMount, follow local regulations for the disposal of metal and plastic materials.
- Recycle components whenever possible to minimize environmental impact.
- Do not dispose of the UltraMount in household waste.

Contact Information for Further Support

For any questions or concerns regarding the UltraMount, please refer to the manufacturer's contact information included with your product packaging. Ensure that you have the product model and any relevant details available when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Nightforce UltraMount Scope Mounts responsibly and safely.
