

# ULTRAMOUNT SCOPE MOUNTS - 30MM 1.930" 0 MOA

## ULTRAMOUNT DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Nightforce UltraMount was originally designed and chosen to meet the needs of USSOCOM's S-VPS, R-VPS, and P-VPS riflescope programs. The UltraMount's engineered combination of aluminum, steel, and titanium balances weight, strength, and stiffness to ensure a reliable and repeatable mounting solution for both bolt guns and gas guns. The UltraMount is available in many commercial configurations\*: Dark Earth or Black anodizing, 1.54in or 1.93in height, and 0MOA or 20MOA bias options. Weights: 1.54in Height: 5.9oz 1.93in Height: 6.1oz

# ULTRAMOUNT SCOPE MOUNTS 30MM 1.930" 0 MOA ULTRAMOUNT DARK EARTH Safety Instruction Guide

## Introduction

Thank you for choosing the Nightforce UltraMount Scope Mount. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before installation and usage to understand the safety guidelines and precautions.

## General Safety Guidelines

- Ensure that the UltraMount is used only for its intended purpose as a scope mounting solution for bolt guns and gas guns.
- Regularly inspect the UltraMount for any signs of wear, damage, or corrosion before each use.
- Store the UltraMount in a dry and secure location, away from direct sunlight and extreme temperatures.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not exceed the weight limits specified by the manufacturer for the mounted scope.
- Ensure that all screws and fasteners are tightened to the recommended torque specifications to avoid loosening during use.
- Keep the mounting area free of obstructions and debris to prevent accidents during installation.
- Avoid exposing the UltraMount to harsh chemicals or solvents that may damage its finish or structural integrity.
- Always wear appropriate safety gear, such as eye protection, when handling firearms and associated equipment.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench, screwdriver, and any other tools specified by the manufacturer.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.

### 2. Installation Steps

- Place the UltraMount on the Picatinny rail of your firearm, ensuring a secure fit.
- Align the mounting base with the desired position on the rail.
- Use the provided screws to attach the UltraMount to the rail. Ensure that all screws are aligned properly.
- Tighten the screws to the manufacturer's recommended torque specifications using a torque wrench.

### 3. Scope Attachment

- Once the UltraMount is securely installed, attach your scope according to the scope manufacturer's instructions.
- Doublecheck that the scope is properly aligned and securely mounted.

#### **4. Final Inspection**

- After installation, inspect the UltraMount and scope for any signs of movement or looseness.
- Conduct a function check of the firearm to ensure everything is operating correctly.

### **Disposal Instructions**

- Dispose of the UltraMount and any associated packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, seek out recycling programs or designated disposal facilities for metal and electronic components.

### **Contact Information for Further Support**

For any inquiries related to safety concerns, product support, or additional information, please refer to the contact details provided by the manufacturer or retailer where you purchased the UltraMount.

### **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Nightforce UltraMount Scope Mount. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these guidelines.
