

ULTRAMOUNT SCOPE MOUNTS - 34MM 1.540" 0 MOA ULTRAMOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Nightforce UltraMount was originally designed and chosen to meet the needs of USSOCOM's S-VPS, R-VPS, and P-VPS riflescope programs. The UltraMount's engineered combination of aluminum, steel, and titanium balances weight, strength, and stiffness to ensure a reliable and repeatable mounting solution for both bolt guns and gas guns. The UltraMount is available in many commercial configurations*: Dark Earth or Black anodizing, 1.54in or 1.93in height, and 0MOA or 20MOA bias options. Weights: 1.54in Height: 5.9oz 1.93in Height: 6.1oz

ULTRAMOUNT SCOPE MOUNTS Safety Instructions

Introduction

Thank you for choosing the ULTRAMOUNT SCOPE MOUNTS. This guide provides important safety information and instructions for the safe use and installation of your product. Please read this manual carefully to ensure proper handling and to maximize your safety.

General Safety Guidelines

- Always ensure that the ULTRAMOUNT SCOPE MOUNTS are installed correctly to avoid accidents.
- Regularly inspect the mounts for any signs of wear or damage.
- Use the product only for its intended purpose as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals who may not understand how to use it safely.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the weight limits specified for the ULTRAMOUNT SCOPE MOUNTS.
- Avoid using the mounts in extreme weather conditions that may affect their integrity.
- When adjusting the scope, do so with care to prevent sudden movements that could lead to accidents.
- Always doublecheck that all screws and fasteners are securely tightened before use.
- If you are unfamiliar with mounting scopes, seek guidance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation (e.g., screwdriver, torque wrench).
- Ensure that you have the ULTRAMOUNT SCOPE MOUNTS and any additional accessories required.

2. Installation Steps:

- Select a suitable firearm compatible with the ULTRAMOUNT SCOPE MOUNTS.
- Align the mounts with the Picatinny rail on your firearm.
- Secure the mounts using the provided screws, ensuring they are tightened to the recommended torque specifications.
- Attach your scope to the mounts, making sure it is aligned properly for optimal performance.
- Doublecheck all connections and ensure everything is secure before use.

3. Usage:

- Use the ULTRAMOUNT SCOPE MOUNTS only as directed.
- Regularly check the mounts for stability and alignment, especially after transport or heavy use.
- If you experience any issues with the mounts or scope, consult a professional for assistance.

Disposal Instructions

- Dispose of the ULTRAMOUNT SCOPE MOUNTS in accordance with local regulations regarding electronic and metal waste.

- Do not dispose of the product in regular household waste to minimize environmental impact.
- Consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the designated contact point provided with your product packaging or documentation.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
