

ULTRAMOUNT SCOPE MOUNTS - 34MM 1.540" 20 MOA

ULTRAMOUNT DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Nightforce UltraMount was originally designed and chosen to meet the needs of USSOCOM's S-VPS, R-VPS, and P-VPS riflescope programs. The UltraMount's engineered combination of aluminum, steel, and titanium balances weight, strength, and stiffness to ensure a reliable and repeatable mounting solution for both bolt guns and gas guns. The UltraMount is available in many commercial configurations*: Dark Earth or Black anodizing, 1.54in or 1.93in height, and 0MOA or 20MOA bias options. Weights: 1.54in Height: 5.9oz 1.93in Height: 6.1oz

ULTRAMOUNT SCOPE MOUNTS Safety Instructions

Introduction

Thank you for choosing the ULTRAMOUNT SCOPE MOUNTS. This product is designed to provide a reliable mounting solution for firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the mounting system for any signs of wear or damage.
- Always follow local laws and regulations regarding firearms and their accessories.
- In case of any doubts regarding the product's safety, consult a professional.

Specific Safety Precautions for Use

- **Weight Limitations:** Ensure that the combined weight of the scope and accessories does not exceed the mounting capacity of the UltraMount.
- **Installation:** Only use the provided hardware for installation. Using noncompatible components may compromise safety.
- **Alignment:** Ensure that the scope is properly aligned before tightening the mounting screws to avoid misalignment during use.
- **Secure Fastening:** Regularly check that all screws and mounts are securely fastened before each use.
- **Environmental Conditions:** Avoid using the product in extreme environmental conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver and any specific tools required for mounting.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.

2. Installation:

- Place the UltraMount on the Picatinny rail of your firearm.
- Align the mount with the desired position ensuring it is level.
- Use the provided screws to securely fasten the mount to the rail. Do not overtighten.
- Attach the scope by following the manufacturer's instructions for the scope.

3. Usage:

- Before each use, inspect the mount and scope for any signs of damage or wear.
- Ensure that the scope is properly adjusted and secured in the mount.
- Use the firearm in a safe environment, adhering to all safety protocols.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the ULTRAMOUNT SCOPE MOUNTS, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and effective experience with your ULTRAMOUNT SCOPE MOUNTS. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important guidelines.
