

ULTRAMOUNT SCOPE MOUNTS - 34MM 1.930" 0 MOA

ULTRAMOUNT DARK EARTH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Nightforce UltraMount was originally designed and chosen to meet the needs of USSOCOM's S-VPS, R-VPS, and P-VPS riflescope programs. The UltraMount's engineered combination of aluminum, steel, and titanium balances weight, strength, and stiffness to ensure a reliable and repeatable mounting solution for both bolt guns and gas guns. The UltraMount is available in many commercial configurations*: Dark Earth or Black anodizing, 1.54in or 1.93in height, and 0MOA or 20MOA bias options. Weights: 1.54in Height: 5.9oz 1.93in Height: 6.1oz

ULTRAMOUNT SCOPE MOUNTS 34MM 1.930" 0 MOA ULTRAMOUNT DARK EARTH Safety Instruction Guide

Introduction

Thank you for choosing the Nightforce UltraMount Scope Mount. Designed to meet the rigorous demands of USSOCOM's riflescope programs, this product provides a reliable and repeatable mounting solution for various firearms. To ensure your safety and the safe use of this product, please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Always ensure that the mount is compatible with your scope and firearm before installation.
- Inspect the mount for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in the instructions.
- In case of any malfunction or unusual behavior, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure that the UltraMount is securely attached to your firearm before use.
- Regularly check the tightness of all screws and fittings to prevent loosening during operation.
- Avoid exposing the mount to extreme temperatures or harsh chemicals that may affect its integrity.
- Do not modify the UltraMount in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings when using the mounted scope to avoid accidents.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing mounts or accessories from the firearm.
- Align the UltraMount with the mounting rail on your firearm.
- Securely fasten the mount using the provided screws. Follow the recommended torque specifications to ensure proper installation.
- Check that the mount is level and securely attached before proceeding.

2. Usage

- Once installed, attach your scope to the UltraMount according to the scope manufacturer's instructions.
- Perform a thorough check of the entire setup to ensure everything is secure.
- Before heading to the range or field, conduct a function check to ensure the scope is properly zeroed and the mount is stable.
- Always follow safe handling practices when operating your firearm.

Disposal Instructions

- Dispose of the UltraMount in accordance with local regulations for metal and electronic waste.
- Do not dispose of the product in household waste.

- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the contact information provided on the product packaging or visit the official Nightforce website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Nightforce UltraMount Scope Mount. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
