

MOLLE BACK PANEL LITE - SPIRITUS SYSTEMS MOLLE BACK PANEL LITE - WOLF GREY

[Home](#)

The MOLLE back panel was designed to give LV/119 OVERT users the ability to quickly swap out multiple rear bag loadout configurations based on the needs of a mission set. With its semi-rigid MOLLE frame, multiple anchor points, and quick zip installation, the MOLLE Back Panel is just as robust as a permanent sewn-in system while providing a near limitless set of pouch combination options. The MOLLE Back Panel features six columns of MOLLE, which provides ample real estate for attaching water bladders, wide pouches, or multiple small pouches side-by-side. End users can now keep one plate carrier for all missions and simply swap out back panels that have been preloaded with specific equipment and MOLLE storage solutions. Swapping between MOLLE Back Panels takes less than a minute and requires no tools. This allows operators to store additional back panels in vehicles or ready rooms for rapid deployment when needed. The MOLLE Back Panel features 6 slots across, and 12 slots down.

MOLLE Back Panel Lite Safety Instruction Guide

Introduction

Thank you for purchasing the MOLLE Back Panel Lite by Spiritus Systems. This product is designed to enhance your tactical gear by allowing for quick and efficient customization of your loadout. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the MOLLE Back Panel before use for any signs of wear or damage.
- Ensure that all attachments are securely fastened to prevent accidental detachment during use.
- Keep the MOLLE Back Panel away from sharp objects and extreme heat sources to avoid damage.
- Store the MOLLE Back Panel in a cool, dry place when not in use.
- Be aware of your surroundings when using the MOLLE Back Panel to avoid injury to yourself or others.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the MOLLE Back Panel is properly fitted to your plate carrier. A loose fit may lead to instability during movement.
- **Weight Distribution:** Distribute weight evenly across the panel to maintain balance and avoid strain on your back.
- **Children:** This product is not intended for use by children. Keep it out of reach to prevent accidents.
- **Emergency Situations:** In case of emergencies, be familiar with how to quickly remove the MOLLE Back Panel from your carrier.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your plate carrier is clean and free from any debris.
2. **Align the Panel:** Position the MOLLE Back Panel against the back of your plate carrier, aligning the MOLLE columns.
3. **Secure Attachment:** Use the quick zip installation feature to attach the panel securely. Ensure that all zippers are fully closed.
4. **Check Stability:** Gently tug on the panel to confirm it is firmly attached to the plate carrier.

Usage

- **Loading Pouches:** Attach pouches to the MOLLE Back Panel using the six columns of MOLLE. Ensure that all pouches are securely fastened.
- **Swapping Panels:** To swap out the MOLLE Back Panel for a different configuration, unzip the current panel and repeat the installation steps with the new panel.
- **Maintenance:** Regularly check the panel and attachments for wear and tear. Replace any damaged components immediately.

Disposal Instructions

When disposing of the MOLLE Back Panel, please follow these guidelines:

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding textile and plastic waste.
- **Recycling:** If possible, recycle components of the MOLLE Back Panel that can be processed by local recycling facilities.
- **Secure Disposal:** If the product is damaged beyond repair, ensure it is disposed of securely to prevent

misuse.

Contact Information for Further Support

For safety inquiries or additional support regarding the MOLLE Back Panel Lite, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure that your use of the MOLLE Back Panel Lite is safe and effective. Thank you for choosing Spiritus Systems for your tactical gear needs.
