Safety Instructions for the PRO PACK FOR GLOCK

Introduction

Thank you for choosing the PRO PACK FOR GLOCK. This product is designed to help you maintain and clean your Glock handgun safely and effectively. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

General Safety Guidelines

- Ensure that you are familiar with your Glock handgun and its components before using the PRO PACK.
- Always handle firearms with care and follow all safety protocols.
- Keep the cleaning kit out of reach of children and unauthorized individuals.
- Use the products only for their intended purpose as described in the product manual.
- Regularly check the condition of all tools and components in the pack. Replace any damaged items immediately.
- Dispose of cleaning materials and chemicals responsibly, following local regulations.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before beginning any cleaning or maintenance.
- Use eye protection when cleaning firearms to prevent injury from cleaning solvents or debris.
- Ensure proper ventilation when using cleaning solvents to avoid inhalation of harmful fumes.
- Do not use excessive force when disassembling or reassembling components to avoid damage.
- Keep cleaning solvents away from flames or heat sources, as they may be flammable.
- Follow the printed graphics on the Smart Mat for Glock to guide you through the disassembly and maintenance process.

Instructions for Installation and Usage

1. Gun Boss PRO Handgun Cleaning Kit

- Open the cleaning kit and familiarize yourself with its contents.
- Use the brass cleaning rod with the appropriate brush for your caliber.
- Clean your handgun according to the instructions provided in the Field Guide for Glock pistols.

2. Smart Mat for Glock

- Lay the Smart Mat on a flat surface to protect your furniture.
- Use the antislip surface to keep your handgun stable while cleaning.
- Utilize the integrated magnetic tray to hold small components securely during disassembly.

3. Mag Tool for Glock

- Use the Mag Tool to disassemble your Glock magazine by following the instructions provided.
- Ensure that the magazine is empty before disassembly.

4. 2in1 Tool for Glock

- Use the 3mm Armorer's pin punch for disassembly and maintenance tasks.
- Use the magnetic 3/16" hex nut driver for adjusting front sights.

5. Field Guide for Glock

- Refer to the Field Guide for stepbystep instructions on maintenance tasks.

- Follow the guidance to ensure proper care of your Glock pistol.

Disposal Instructions

- Dispose of any used cleaning patches, brushes, and solvents in accordance with local waste disposal regulations.
- Do not dispose of cleaning products in regular household waste; check for hazardous waste disposal options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your PRO PACK FOR GLOCK. Always prioritize safety and proper maintenance to enjoy your firearm responsibly.
