

6.5 CM CARBON FIBER BARREL W/ADJUSTABLE GAS BLOCK FOR AR-10® - CHRISTENSEN ARMS 308 WINCHESTER 18" 1-10 TWIST ADJUSTABLE GAS BLOCK CF BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Christensen Arms barrels are designed using precision engineering adopted from the aerospace industry; Christensen Arms AR-10 carbon-fiber barrels are crafted using a proprietary layered design that offers any marksman superior accuracy and performance. The barrel lining is made from match-grade 416R stainless steel and is measured to a tolerance of +/- .0001. This barrel is an 18-inch 308 Win match chambered with a 1:10 twist, mid-length gas system, and includes an adjustable gas block and gas tube. Regarding accuracy, Christensen Arms carbon-fiber barrels have the performance you can trust.

Safety Instruction Guide for 6.5 CM CARBON FIBER BARREL W/ADJUSTABLE GAS BLOCK FOR AR10® CHRISTENSEN ARMS 308 WINCHESTER 18" 110 TWIST ADJUSTABLE GAS BLOCK CF BARREL

Introduction

Thank you for choosing the 6.5 CM Carbon Fiber Barrel with Adjustable Gas Block for your AR10®. This guide provides essential safety instructions and usage guidelines to ensure safe operation and maintenance of your product. Please read this document carefully before use.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Store the barrel and firearm in a secure location, out of reach of children and unauthorized users.
- Inspect the barrel before each use to ensure it is free from obstructions and damage.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Use only compatible ammunition as specified by the manufacturer.
- Wear appropriate eye and ear protection when using the firearm.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the barrel is properly installed before firing.
- Do not exceed the recommended gas settings when adjusting the gas block.
- Avoid using the firearm in wet or damp conditions to prevent corrosion.
- Do not attempt to modify or alter the barrel in any way that may affect its performance or safety.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you notice any unusual sounds or recoil when firing, cease use immediately and inspect the barrel.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a torque wrench and appropriate Allen keys.

2. Remove the Existing Barrel

- Follow the manufacturer's instructions to safely remove the existing barrel from the firearm.

3. Install the Carbon Fiber Barrel

- Align the new carbon fiber barrel with the upper receiver.
- Securely tighten the barrel nut using a torque wrench, following the manufacturer's specifications.

4. Attach the Adjustable Gas Block

- Position the adjustable gas block on the barrel according to the manufacturer's instructions.
- Tighten the gas block screws to the specified torque.

5. Install the Gas Tube

- Insert the gas tube through the gas block and into the upper receiver.
- Ensure it is properly aligned and secured.

6. Final Checks

- Inspect all connections and ensure there are no loose parts.
- Reassemble any other components as necessary.

Usage

- Load the firearm only when ready to shoot.
- Always follow safe handling practices.
- Adjust the gas block according to your shooting preferences and conditions.
- Clean and maintain the barrel regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or certified disposal centers for proper disposal methods.

Contact Information for Further Support

For further assistance, please consult the manufacturer's website or contact their customer service team for support regarding product safety inquiries and any other questions you may have.

By following these guidelines, you can ensure a safe and enjoyable experience with your 6.5 CM Carbon Fiber Barrel. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
