

M5 (.308) ATLAS S-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR 308 - AERO PRECISION M5 (.308) ATLAS S-ONE 12.7" HANDGUARD M-LOK FOR AR-308 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Mounting Hardware Weight: 4.72 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers SPECS Made In America? Yes Platform M5 Series ATLAS Attachment Type M-LOK Material Machined from 6061-T6 aluminum M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Other Mounting Hardware Weight: 4.72 oz ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

Safety Instruction Guide for M5 (.308) ATLAS SONE MLOK Free Floating Handguards

Introduction

Thank you for choosing the M5 (.308) ATLAS SONE MLOK Free Floating Handguards for your AR 308 Aero Precision rifle. This guide provides essential safety instructions to ensure safe usage and installation of your handguard. Please read this manual carefully to understand the product's features and safety precautions.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the handguard by following all instructions. This product is designed for nonfood use and complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about potential recalls. The manufacturer will provide standardized recall notices and remedies for any dangerous products.
- **Online Shopping Protections:** If purchased online, you have the same safety protections as when buying in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Extra safeguards are in place for vulnerable groups.
- **EU Contact Point:** For safety inquiries, you can reach out to the designated EU contact point associated with this product.
- **Rapid Alerts:** Monitor updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Always use the correct tools, including a standard armorer's wrench, for installation. Ensure all parts are secure before use.
- **Weight Limitations:** Be aware of the handguard weight specifications. The 12.7" handguard weighs 7.66 oz, and the 15" handguard weighs 8.71 oz. Ensure your build can accommodate this weight.
- **Compatibility:** Confirm compatibility with your firearm. This handguard is compatible with milspec AR15 upper receivers and barrels but not with M5E1 Enhanced Upper Receivers.
- **Avoid Distortion:** Use the ATLAS attachment system as instructed to prevent distortion of the handguard during installation.
- **Inspection:** Regularly inspect the handguard and mounting hardware for signs of wear or damage. Replace any damaged components immediately.

Instructions for Installation and Usage

1. **Gather Required Tools:** Ensure you have a standard armorer's wrench and any other necessary tools.
2. **Prepare the Rifle:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Remove Old Handguard:** If applicable, carefully remove the existing handguard from the firearm.
4. **Install the Barrel Nut:** Follow the ATLAS system instructions to securely attach the barrel nut.
5. **Attach the Handguard:**
 - Align the handguard with the barrel nut.
 - Use the provided tapered locking nuts to secure the handguard, ensuring even clamping pressure.
 - Tighten using the turnbuckle screw and secure with the ratcheting detent.
6. **Check for Stability:** Ensure the handguard is firmly attached and does not wobble.
7. **Final Inspection:** Inspect the installation for any misalignment or loose components before use.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product and packaging materials responsibly. Follow local regulations for disposal of aluminum and other materials.

- **Recycling:** Consider recycling the aluminum components of the handguard where facilities exist.

Contact Information for Further Support

For any questions or additional support regarding the M5 (.308) ATLAS SONE MLOK Free Floating Handguards, please refer to the manufacturer's contact point provided with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with your M5 (.308) ATLAS SONE MLOK Free Floating Handguards. Thank you for your attention to safety.
