# BRN4 Gas Block Coil Pins Safety Instruction Guide

## Introduction

Thank you for choosing the BRN4 Gas Block Coil Pins. This product is designed for use with the Brownells BRN4 gas blocks and barrels, as well as the HK416/MR556 platform. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions provided in this guide.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the gas block coil pins for any damage or defects before use. Do not use damaged pins.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues during installation or usage, stop immediately and consult a qualified professional.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and in a safe condition before attempting to install or remove the gas block coil pins.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, during installation.
- Avoid using excessive force when installing the gas block coil pins to prevent damage to the gas block or pins.
- Do not modify the gas block coil pins or use them for purposes other than intended.
- If you are unsure about the installation process, seek guidance from a qualified gunsmith or professional.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and in a safe condition.
- Gather necessary tools, including a punch tool and hammer, if required.

### 2. Installation

- Align the gas block with the barrel according to the manufacturer's specifications.
- Insert the gas block coil pins into the designated holes of the gas block.
- Use the punch tool and hammer to gently tap the pins into place, ensuring they are securely seated.
- Check for proper alignment and fit after installation.

### 3. Usage

- After installation, perform a function check to ensure that the gas block is operating correctly.
- Monitor the gas block coil pins periodically for signs of wear or damage during regular maintenance.

## Disposal Instructions

- Dispose of any damaged or unused gas block coil pins in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's contact information provided with the product packaging. It is essential to have access to a reliable source for safety inquiries.

By following these guidelines and instructions, you can help ensure safe and effective use of your BRN4 Gas Block Coil Pins. Thank you for your attention to safety.
