

AR-15 GRIP WITH M-LOK PANELS - SHARPS BROS AR-15 GRIP WITH M-LOK HANDGUARD PANELS BRAZILIAN CHERRY

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grip Components](#)

These grips were inspired by some of our favorite firearms and their incorporation of wood: the Galil with its beautiful handguard, the rich stock used on the Valmet M76, all of the classic US military rifles from the M14 to the M1 Garand. Wood just adds a natural beauty and unique appearance to the firearm. Grip frame is CNC machined from billet 6061-T6 aluminum and anodized black. Wood is Brazilian Cherry hand coated with Tung Oil to give it a rich, natural, protected finish. Ships as a set (Grip + two MLOK handguard panels). Each handguard panel measures 5.5" long. Grip panel hardware, MLOK hardware, & grip screw all included.

Attributes

Safety Instruction Guide for AR15 Grip with MLOK Panels

Introduction

Thank you for choosing the AR15 Grip with MLOK Panels by Sharps Bros. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that all firearm accessories are used in accordance with the manufacturer's instructions and local laws.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the grip and handguard panels free from dirt and debris to maintain their functionality and appearance.
- Be aware of your surroundings when using firearms to ensure the safety of yourself and others.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- The grip is made from CNC machined billet 6061T6 aluminum and is anodized black. Ensure that the grip is properly installed to avoid any accidents during use.
- The wood panels are made from Brazilian Cherry and are hand coated with Tung Oil. Avoid exposing the wood to extreme temperatures or moisture to prevent damage.
- Regularly inspect the grip and handguard panels for signs of wear or damage. If any issues are found, discontinue use and replace the damaged components.
- Do not modify the grip or handguard panels in any way, as this may compromise their safety and effectiveness.

Instructions for Installation and Usage

1. Installation of the Grip:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing grip by unscrewing the grip screw and carefully detaching it from the firearm.
- Align the new grip with the mounting area and secure it in place using the provided grip screw. Tighten the screw firmly, but do not overtighten to avoid stripping the threads.

2. Installation of MLOK Handguard Panels:

- Identify the MLOK slots on your handguard.
- Position the handguard panels over the desired slots.
- Use the provided MLOK hardware to secure the panels in place. Ensure they are tightened adequately to prevent movement during use.

3. Usage:

- When using the firearm, maintain a firm grip on the newly installed grip and ensure your fingers are away from the trigger until you are ready to shoot.
- Practice safe shooting techniques and be aware of your target and what lies beyond it.

Disposal Instructions

- Dispose of the grip and handguard panels in accordance with local regulations for electronic waste and materials.
- If the product is damaged beyond repair, consider recycling materials where possible. Do not dispose of in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding the AR15 Grip with MLOK Panels, please refer to the manufacturer's website or customer service channels for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience responsibly!
