Safety Instruction Guide for AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P365XL

Introduction

Thank you for choosing the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P365XL. This document provides essential safety guidelines to ensure the safe use and handling of this product. Please read through the entire guide before use to understand the necessary precautions and instructions.

General Safety Guidelines

- **Product Safety:** This slide is designed to ensure safe use with compatible firearms. Always verify compatibility with your firearm model.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Ensure you register your product for updates.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Store it out of reach to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that this slide is compatible with your Sig Sauer P365XL. It does not fit the 380 version or other models.
- **Proper Installation:** Follow the installation instructions carefully to avoid improper fitting that may lead to malfunctions.
- **Avoid Modifications:** Do not modify the slide or any of its components. Modifications can compromise safety and performance.
- **Regular Inspections:** Regularly inspect the slide for signs of wear, damage, or corrosion. Replace if necessary.
- **Safe Handling:** Always treat the firearm as if it is loaded. Keep the firearm pointed in a safe direction when handling.
- **Use of Optics:** Ensure that any optics mounted on the slide are securely attached and compatible with the optic cut footprint.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools for installation.
- Clear your workspace and ensure the firearm is unloaded.

2. Installation:

- Remove the existing slide from your Sig Sauer P365XL.
- Align the AXIOM SLIDE with the frame of the firearm.
- Secure the slide in place according to the manufacturer's specifications.
- Ensure that all components are fitted correctly and that there are no gaps between the slide and the frame.

3. **Using the Slide:**

- Once installed, perform a function check to ensure the slide operates smoothly.
- Only use ammunition that is compatible with the 9 mm Luger cartridge.
- Regularly clean and maintain the slide to ensure optimal performance.

4. **PostInstallation:**

- If you have installed an optic, ensure that it is functioning correctly and securely mounted.
- Store the firearm in a safe place, ensuring it is not accessible to unauthorized users.

Disposal Instructions

- **Environmental Safety:** Dispose of the slide and any packaging materials in accordance with local regulations regarding metal and plastic waste.
- **Recycling:** If possible, recycle materials to minimize environmental impact.
- **Hazardous Materials:** If the product shows signs of damage or corrosion, consult local waste management guidelines for safe disposal.

Contact Information for Further Support

For any further inquiries or support, please refer to the contact details provided by your retailer or manufacturer. They will be able to assist you with any questions or concerns regarding the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P365XL.
