

GEN 3 SLIDES FOR GLOCK® W/ FIXED SIGHT SET - BROWNELLS GEN 3 SLIDE FOR GLOCK 17 W/ FIXED GREEN SIGHT SET

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Brownells has taken the Guess work out of upgrading your Glock 19® or Glock 17®! We've paired our own versions of the slides with the Meprolight Sight Set. This set is a green front and green rear iron sight set! Our Iron Sight Slide for Glock 17® or Glock 19 Gen3 enables you to build a custom Glock®-style pistol - or rebuild an old one - with a slide that sports distinctive customized cocking serrations. The unique front serrations aid in manipulating the slide under stress, especially for quick chamber checks AND for clearing the occasional jam. Both the front and rear serrations are cut to the same depth as the Glock® factory slide serrations to ensure no loss in overall slide rigidity. The top edges and the front around the muzzle area are chamfered to reduce the risk of snagging on clothing and to make holstering the pistol easier. Like all Brownells slides, the Iron Sight model for Gen3 Glock® 17 and 19 is precision machined from solid 17-4 stainless steel billet to factory specifications inside, so it is compatible with any factory or aftermarket Gen3 internal components. Outside, there's a Glock® factory rear sight dovetail and front sight tenon cut ready for any factory or aftermarket sights you choose. This is the perfect companion "top-half" for a custom pistol built on a Polymer80 80% frame. Accepts Gen3 Glock® 17 or 19 internal parts Sturdy machined 17-4 stainless steel Tough matte Black Nitride finish Factory cuts for iron sights Channel liner not included please order separately (see note below) You can get your Brownells Iron Sight Slide for Gen3 Glock® 17 or 19 with a solid top and distinctive wraparound front cocking serrations - swipe your paw along the front of the slide and you can't avoid racking it. The Iron Sight slide is also available with a window cutout on top between the front side serrations. The window aids in heat dissipation to keep the barrel cool during extended fire, AND if you have an upgraded barrel with a contrasting finish or a unique exterior pattern (fluting, spirals, "flames," etc.) it'll help your gun stand out from the matte black sameness on the firing line! Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017

Consumer Safety Instruction Guide for GEN 3 SLIDES FOR GLOCK® W/ FIXED SIGHT SET

Introduction

Thank you for choosing the Brownells GEN 3 Slide for Glock 17 with Fixed Green Sight Set. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with Glock 17 and 19 models. Always handle the slide with care to prevent accidents.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will receive standardized notices. Please follow the instructions provided for any necessary remedies.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with safety standards.
- **Special Consumer Focus:** This product is intended for adult users. Keep out of reach of children to prevent misuse or accidents.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle the slide with clean hands and ensure your workspace is clear of obstructions.
- **Firearm Compatibility:** Ensure that the slide is compatible with your specific Glock model. This slide is designed for Gen3 Glock 17 and 19.
- **Installation:** Follow the installation instructions carefully. Improper installation may lead to unsafe operating conditions.
- **Sighting:** When using the iron sights, ensure they are properly aligned for accurate aiming.
- **Maintenance:** Regularly inspect the slide for wear or damage. Replace any worn components immediately.
- **Training:** Familiarize yourself with the operation of your firearm and seek professional training if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a channel liner installation tool (not included).

2. Installation:

- Remove the existing slide from your Glock 17 or 19.
- Install the channel liner into the new slide using the appropriate tool.
- Align the slide with the frame and ensure it is seated correctly.
- Secure any necessary components, including sights, according to manufacturer instructions.

3. Usage:

- Once installed, ensure the slide operates smoothly.

- Conduct a function check to verify that the firearm operates correctly.
- Always follow safe firearm handling practices when using your Glock with the new slide.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the slide or any components become damaged beyond repair, dispose of them responsibly. Do not attempt to use damaged parts.

Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of the Brownells GEN 3 Slide for Glock 17, please refer to the contact information provided by your retailer or visit the official Brownells website for support resources.

Thank you for your attention to these safety instructions. Proper care and usage of your Brownells GEN 3 Slide for Glock 17 will help ensure a safe and enjoyable experience. Always prioritize safety and responsible firearm handling.
