

GEN 3 SLIDES FOR GLOCK® W/ FIXED SIGHT SET - BROWNELLS GEN 3 SLIDE FOR GLOCK 19 W/ FIXED GREEN SIGHT SET

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Brownells has taken the Guess work out of upgrading your Glock 19® or Glock 17®! We've paired our own versions of the slides with the Meprolight Sight Set. This set is a green front and green rear iron sight set! Our Iron Sight Slide for Glock 17® or Glock 19 Gen3 enables you to build a custom Glock®-style pistol - or rebuild an old one - with a slide that sports distinctive customized cocking serrations. The unique front serrations aid in manipulating the slide under stress, especially for quick chamber checks AND for clearing the occasional jam. Both the front and rear serrations are cut to the same depth as the Glock® factory slide serrations to ensure no loss in overall slide rigidity. The top edges and the front around the muzzle area are chamfered to reduce the risk of snagging on clothing and to make holstering the pistol easier. Like all Brownells slides, the Iron Sight model for Gen3 Glock® 17 and 19 is precision machined from solid 17-4 stainless steel billet to factory specifications inside, so it is compatible with any factory or aftermarket Gen3 internal components. Outside, there's a Glock® factory rear sight dovetail and front sight tenon cut ready for any factory or aftermarket sights you choose. This is the perfect companion "top-half" for a custom pistol built on a Polymer80 80% frame. Accepts Gen3 Glock® 17 or 19 internal parts Sturdy machined 17-4 stainless steel Tough matte Black Nitride finish Factory cuts for iron sights Channel liner not included please order separately (see note below) You can get your Brownells Iron Sight Slide for Gen3 Glock® 17 or 19 with a solid top and distinctive wraparound front cocking serrations - swipe your paw along the front of the slide and you can't avoid racking it. The Iron Sight slide is also available with a window cutout on top between the front side serrations. The window aids in heat dissipation to keep the barrel cool during extended fire, AND if you have an upgraded barrel with a contrasting finish or a unique exterior pattern (fluting, spirals, "flames," etc.) it'll help your gun stand out from the matte black sameness on the firing line! Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017

Safety Instruction Guide for GEN 3 Slides for Glock® with Fixed Sight Set

Introduction

Thank you for choosing the GEN 3 Slide for Glock® with Fixed Sight Set from Brownells. This product is designed to enhance the performance and customization of your Glock 19® or Glock 17®. It is important to follow the safety guidelines outlined in this manual to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the slide and firearm securely when not in use, out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of damage or wear before use.
- Use only compatible internal parts designed for Gen3 Glock® models.
- Follow all local laws and regulations regarding firearm modifications.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the slide can lead to firearm malfunctions, which may cause injury or death.
- **Avoiding Hazards:**
 - Ensure that the firearm is unloaded before installation.
 - Do not attempt to modify the slide or any internal components.
 - Be cautious when handling the slide, especially the edges, to avoid cuts or injuries.
 - Use protective eyewear when working on your firearm.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to own and handle firearms. Ensure that only qualified individuals use this product.

Instructions for Installation and Usage

- **Installation Instructions:**
 1. Ensure the firearm is completely unloaded.
 2. Remove the existing slide from the Glock® frame.
 3. Align the new GEN 3 Slide with the frame, ensuring that the internal components are compatible.
 4. Securely attach the slide to the frame, following the manufacturer's guidelines for proper fit.
 5. Install the iron sights as needed, ensuring they are properly aligned.
 6. Test the slide's movement to ensure it operates smoothly.
- **Usage Instructions:**
 - After installation, conduct a function check to ensure proper operation.
 - Always practice safe handling techniques when using the firearm.
 - Regularly maintain the slide and firearm to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the slide becomes damaged beyond repair, dispose of it in a manner that prevents unauthorized use.
- Do not discard any internal components in regular waste; consult local regulations for proper disposal.

methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of your GEN 3 Slide for Glock® with Fixed Sight Set, please refer to the manufacturer's contact details provided on the packaging or the official Brownells website for further assistance.

Conclusion

By following these safety instructions, you can ensure that your GEN 3 Slide for Glock® is used safely and effectively. Always stay informed about safety practices and comply with local laws regarding firearm usage and modifications. Thank you for choosing Brownells for your firearm needs.
