

# GEN 4 SLIDES FOR GLOCK® W/ FIXED SIGHTS - BROWNELLS GEN 4 SLIDE FOR GLOCK 17 W/ FIXED GREEN SIGHT SET

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Brownells has taken the Guess work out of upgrading your Glock 19® or Glock 17®! We've paired our own versions of the slides with the Meprolight Sight Set. This set is a green front and green rear iron sight set! What if you need to rack your pistol's slide when your hands are wet or you've lost fine motor control due to an adrenaline dump? The Brownells Iron Sight Slide for Glock® 17 or Glock® 19 Gen4 is designed to solves these problems. And if (when?) you have to clear a jam, this slide helps you do it FAST. Glock® pistols are famous for their reliability, but they are still machines, and machines CAN malfunction at inopportune times. Our slide has both standard rear cocking serrations and front serrations that wrap entirely AROUND the top, providing a huge grasping area that lets you grab the slide and yank it rearward in a flash. It also lets you do quick chamber checks or rack it from an unorthodox position. The striking exterior of our Iron Sight Slide for Glock® 17 or 19 Gen4 may look very different from a factory slide, but the internal dimensions are the same. ALL Gen4 Glock® 17 or 19 factory and aftermarket parts fit our slide. This gives you a vast array of customizing options to build a pistol for duty, competition, or self-defense. Accepts Gen4 Glock® 17 or 19 internal parts  
Machined 17-4 stainless steel  
Hard matte Black Nitride finish  
Wraparound front cocking serrations  
Factory cuts for iron sights  
Channel liner not included; please order separately (see note below)  
The Iron Sight Slide for Gen4 Glock® 17 or 19 is precision machined from solid 17-4 stainless steel billet for exceptional strength. There's a Glock® factory rear sight dovetail and front sight tenon cut ready for any factory or aftermarket "iron" sights" (in reality, plastic or steel) you choose. A tough, non-reflective Black Nitride finish boosts the slide's resistance to surface wear and protects it from corrosion. Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017.

## Attributes

- Name: [BROWNELLS GEN 4 SLIDE FOR GLOCK 17 W/ FIXED GREEN SIGHT SET](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 430103523

# Safety Instruction Guide for GEN 4 SLIDES FOR GLOCK® W/ FIXED SIGHTS

## Introduction

Thank you for choosing the GEN 4 SLIDES FOR GLOCK® W/ FIXED SIGHTS. This product is designed to enhance your Glock 17® or Glock 19® experience. It is essential to read and understand the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock® pistol before using the slide.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, away from children and unauthorized users.
- Use only compatible parts and accessories with your Glock® pistol, as specified by the manufacturer.
- Regularly inspect your firearm and accessories for wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- If you experience any malfunctions or issues with your firearm, seek professional assistance immediately.

## Specific Safety Precautions for Use

- Do not attempt to modify the slide or any other parts of your Glock® pistol beyond the manufacturer's specifications.
- Ensure that the slide is properly installed before using the firearm.
- Check that the slide is free from obstructions before racking it.
- Use caution when handling the firearm, especially in wet or slippery conditions.
- Avoid using excessive force when racking the slide to prevent damage.
- If your hands are wet or you have lost fine motor control, take extra care when handling the firearm.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before beginning the installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Slide:** Follow the manufacturer's instructions to remove the existing slide from your Glock® pistol.
3. **Install the Iron Sight Slide:**
  - Align the new slide with the frame of your Glock® pistol.
  - Gently press the slide onto the frame until it is fully seated.
4. **Check Compatibility:** Ensure that all internal parts are compatible and properly installed.
5. **Install Channel Liner:** Note that a channel liner is required for these slides. It is a press fit and requires a tool to install. Refer to the manufacturer's instructions for proper installation.

### Usage

- To rack the slide, grip both the front and rear serrations firmly.
- Perform chamber checks and other manipulations with caution and ensure the firearm is pointed in a safe direction.
- Regularly practice using your firearm to maintain proficiency, especially with the new slide.

## **Disposal Instructions**

- Dispose of the slide and any related components in accordance with local regulations.
- Do not dispose of firearms or firearm parts in regular household waste.
- Consult local authorities for safe disposal options for firearms and firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding your GEN 4 SLIDES FOR GLOCK® W/ FIXED SIGHTS, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for assistance.

By following these safety guidelines and instructions, you can enhance your experience with the GEN 4 SLIDES FOR GLOCK® W/ FIXED SIGHTS while ensuring safe and responsible use. Thank you for prioritizing safety in your firearm handling practices.
