# Safety Instruction Guide for Atlas Gunworks 2011 126MM Slidelock Magazines

## Introduction

Thank you for choosing the Atlas Gunworks 2011 126MM Slidelock Magazines. This guide provides essential safety instructions to ensure the safe and effective use of your magazine. Please read this document carefully and follow all guidelines to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using the magazine.
- Always treat the magazine and any firearm as if they are loaded.
- Store the magazine in a safe place, away from children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Loading:**
  - Only load the magazine with compatible ammunition (9mm Luger).
  - Do not exceed the magazine's specified capacity (18 rounds without modification).
- **Handling:**
  - Always keep the magazine pointed in a safe direction.
  - Avoid placing fingers inside the magazine well or near the ammunition feed area when loading or unloading.
- **Storage:**
  - Store the magazine in a secure location, preferably in a locked container.
  - Keep the magazine away from moisture and extreme temperatures to prevent corrosion and damage.
- **Transportation:**
  - When transporting the magazine, ensure it is unloaded and secured in a case or pouch.
  - Do not carry the magazine in a way that allows it to be easily accessed by unauthorized persons.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the firearm is completely unloaded before installing the magazine.
  - Align the magazine with the magazine well of the firearm.
  - Firmly push the magazine into the magazine well until it locks into place.
- **Usage:**
  - To load the magazine, press down on the follower and insert cartridges one at a time.
  - Ensure that each cartridge is seated properly to avoid feeding issues.

- When ready to fire, insert the magazine into the firearm and ensure it is securely locked in place.

- **Maintenance:**

- Regularly clean the magazine to remove dirt and debris.
- Inspect the magazine spring and follower for any signs of wear or damage.
- Replace the magazine if any components are damaged or compromised.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, contact your local authority for proper disposal methods.
- Do not throw the magazine in regular household waste.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's website or contact their customer support directly. Ensure you have the product details available for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your Atlas Gunworks 2011 126MM Slidelock Magazines. Always prioritize safety and responsible handling practices.
