# BENCHREST POWDER MEASURER STAND SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Forster Benchrest Powder Measurer Stand. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product documentation.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Follow all local regulations and safety standards when using this product.
- Be aware of your surroundings when using the powder measurer stand to avoid hazards.

## Specific Safety Precautions for Use

- Always use the stand on a stable, level surface to prevent tipping or falling.
- Avoid placing heavy objects on the stand that exceed its weight capacity.
- Do not use the stand near open flames or high temperatures.
- Ensure all components are securely attached before use to prevent accidental disassembly.
- If you notice any unusual sounds or movements during use, stop immediately and check for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the stand and ensure all parts are included.
- Place the stand on a flat, stable surface away from edges.
- Assemble the stand according to the provided instructions, ensuring all connections are tight and secure.
- If applicable, attach the Benchrest Powder Measurer to the stand following the manufacturer's guidelines.

### 2. Usage:

- Before use, ensure that the powder measurer is properly calibrated.
- Load the desired powder into the measurer according to the instructions provided by the powder manufacturer.
- Use the stand to support the powder measurer while dispensing powder into your desired container.
- Always keep your hands and face clear of the dispensing area to avoid accidental spills.

## Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the product is no longer usable, consider recycling parts where possible to minimize environmental impact.
- Do not dispose of the product in household waste if it contains hazardous materials.

## **Contact Information for Further Support**
