

# F.A.S.T. RISER ABSOLUTE MOUNT SYSTEM - UNITY TACTICAL

## F.A.S.T. RISER ABSOLUTE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

FAST™ is a series of optic mounts and platforms that provide end users with a quicker sight picture than standard height mounts. The FAST™ Riser Absolute creates a 2.26" optical center line from the rail when paired with an absolute co-witness rail mounted sight. It provides faster and easier dot/reticle acquisition while wearing night vision goggles, a protective mask, plate carriers and other gear. FAST™ mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. The FAST™ Riser Absolute can also be fitted with a Quick Detach Lever. SPECS INTERFACE - M1913 RAIL HEIGHT - 2.26" TO OPTICAL CENTER LINE MATERIAL - 7075 T6 ALUMINUM COATING - TYPE III HARDCOAT ANODIZED RAIL MOUNT - 2 CROSS BOLT RAIL GRABBER DIMENSIONS - 3.5"(L)X 1.21"(W)X 0.90"(H) WEIGHT - 2.8 OZ

# F.A.S.T. Riser Absolute Mount System Safety Instructions

## Introduction

Thank you for choosing the F.A.S.T. Riser Absolute Mount System by Unity Tactical. This product is designed to enhance your shooting experience by providing a quicker sight picture. To ensure safe and effective use of the mount system, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the mount system before use to ensure it is free from defects or damage.
- Use the mount system only as intended. Do not modify or alter the product.
- Keep the mount system out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that the area is clear before using the mount system.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the mount is securely attached to the firearm before use.
- Avoid placing excessive weight or stress on the mount or the attached sight.
- When using night vision goggles or other gear, ensure that they do not obstruct your view or interfere with the operation of the mount.
- Be cautious of potential pinch points during installation and removal of the mount.
- Do not exceed the weight limit specified by the manufacturer for the mount system.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Align the F.A.S.T. Riser Absolute Mount with the M1913 rail on your firearm.
- Secure the mount using the provided cross bolts, ensuring that they are tightened to the manufacturer's specifications.
- If using a Quick Detach Lever, attach it according to the manufacturer's instructions.

### 2. Usage:

- Once installed, verify that the optical sight is properly aligned with the mount.
- Adjust the optical sight as needed to achieve the desired sight picture.
- Familiarize yourself with the mount system and practice using it in a safe environment before engaging in live shooting.

### 3. Maintenance:

- Regularly inspect the mount for wear and tear, including the mounting bolts and any moving parts.
- Clean the mount with a soft cloth to remove dirt and debris. Avoid using harsh chemicals that may damage the finish.

## **Disposal Instructions**

- Dispose of the F.A.S.T. Riser Absolute Mount System in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the aluminum components where facilities are available.
- For electronic components, follow local ewaste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the F.A.S.T. Riser Absolute Mount System, please refer to the manufacturer's official website or contact their customer service.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your F.A.S.T. Riser Absolute Mount System!
