

# ADJUSTABLE SCOPE MOUNT - STRIKE INDUSTRIES ADJUSTABLE SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The Strike Industries Adjustable Scope Mount (ASM) combines different eye relief options into one scope mount. The ASM can be set to one of four (4) Standard, Extended, Intermediate Extended and Hyper Extended positions. The ASM is CNC machined from 7250 aluminum and hard anodized in black. 7250 aluminum excels in applications requiring lightweight and high strength. Intended for use with Picatinny rail section rifles. The versatility of the Strike Industries Adjustable Scope Mount allows users to adjust the scope away from the shooter and closer to the shooter when mounted in reverse for a hunting rifle setup, creating flexibility for various eye relief and scope positions. SCOPE TUBE SIZE: 30mm or 1 inch CLEARANCE BETWEEN RINGS: 70.18mm CENTER OF TUBE ABOVE RAIL: 36.68mm LENGTH: 143mm WIDTH: 45mm HEIGHT: 63mm WEIGHT: 7.6 oz

## Attributes

- Name: [STRIKE INDUSTRIES ADJUSTABLE SCOPE MOUNT](#)

# Safety Instruction Guide for the Adjustable Scope Mount by Strike Industries

## Introduction

Thank you for choosing the Strike Industries Adjustable Scope Mount (ASM). This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use with rifles equipped with Picatinny rail sections. Ensure compliance with all safety regulations during use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided for remedy.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with the same safety standards as physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the scope mount is installed correctly to avoid accidents or malfunctions.
- **Inspection:** Before each use, inspect the scope mount for any signs of damage or wear. Do not use if any damage is observed.
- **Compatibility:** Only use this scope mount with rifles that have a Picatinny rail section.
- **Weight Limit:** Do not exceed the weight limit of the scope mount. Ensure that the scope and accessories do not exceed the recommended weight.
- **Secure Mounting:** Ensure that the scope is securely mounted before use to prevent it from shifting during operation.
- **Avoid Overtightening:** When securing the mount, avoid overtightening screws, as this may damage the mount or the rifle.

## Instructions for Installation and Usage

1. **Gather Tools:** You will need a screwdriver and any other tools specified in the scope mount's installation manual.
2. **Identify Mounting Location:** Choose the appropriate position on the Picatinny rail for mounting the scope.
3. **Attach the Mount:**
  - Align the scope mount with the rail.
  - Use the provided screws to secure the mount in place.
  - Ensure that the mount is level and properly aligned.
4. **Adjust Eye Relief:**
  - Set the ASM to the desired position: Standard, Extended, Intermediate Extended, or Hyper Extended.
  - Verify that the eye relief is comfortable and suitable for your shooting position.
5. **Install the Scope:**
  - Place the scope into the mount and secure it according to the manufacturer's instructions.
  - Doublecheck that the scope is firmly attached and does not move.

#### 6. **Final Inspection:**

- Inspect the installation to ensure all components are secure.
- Check that there are no obstructions between the scope and the rifle.

## **Disposal Instructions**

- **Environmental Compliance:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle the aluminum components of the scope mount.
- **Hazardous Materials:** Check for any hazardous materials in the product and dispose of them according to local guidelines.

## **Contact Information for Further Support**

For any additional questions or support regarding the Adjustable Scope Mount, please refer to the retailer or manufacturer's customer service. Always ensure that you have the product details ready for a quicker response.

By following these safety instructions, you can ensure the safe and effective use of your Strike Industries Adjustable Scope Mount. Thank you for your attention to safety and enjoy your shooting experience!
