# Safety Instruction Guide for AR15 Comp Assembled Upper 5.56 NATO Carbine Barrel

## Introduction

Thank you for purchasing the AR15 Comp Assembled Upper 5.56 NATO Carbine Barrel. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, away from unauthorized users, especially children.
- Ensure that you are familiar with local laws and regulations regarding firearms.
- Inspect your firearm and its components before each use for any signs of damage or wear.
- Use only the specified ammunition (5.56 mm NATO) for this upper assembly.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Never modify or alter the firearm or its components in any way.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include accidental discharge, improper installation, and misuse.
- **Avoiding Hazards:**
  - Always follow the manufacturer's instructions for installation and usage.
  - Do not use the firearm if you are under the influence of drugs or alcohol.
  - Ensure that the firearm is completely unloaded before performing any maintenance or installation.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised by a qualified adult.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing upper receiver from the lower receiver.
- Align the new assembled upper receiver with the lower receiver.
- Secure the upper receiver using the provided takedown pins.
- Ensure that the upper is properly seated and locked in place before proceeding.

### 2. Usage Instructions:

- Load the firearm with the appropriate 5.56 mm NATO ammunition.
- Check that the safety is engaged before loading.
- Once ready to fire, disengage the safety and aim at the target.
- Fire the firearm only in a controlled environment, such as a shooting range.
- After use, ensure the firearm is cleaned and maintained according to the manufacturer's guidelines.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer in use or is damaged beyond repair, consult local guidelines for the safe disposal of firearms and firearm components.
- Never dispose of firearms or ammunition in regular trash.

## **Contact Information for Further Support**

For questions regarding safety, installation, or product specifications, please consult the manufacturer's website or customer service resources.

By following these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your AR15 Comp Assembled Upper 5.56 NATO Carbine Barrel. Thank you for prioritizing safety.
