HRD Extended MLOK Handstop Safety Instruction Guide

Introduction

Thank you for choosing the HRD Extended MLOK Handstop by JMAC Customs. This guide provides important safety instructions and information to ensure the safe use and installation of your hand retention device. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only as intended. Misuse may cause injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the device for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Be aware of your surroundings when using the product to avoid accidents.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to the device detaching during use, which can cause injury.
 - Using the handstop with incompatible handguards may compromise safety and functionality.
- **Instructions for Avoiding Hazards:**
 - Always ensure the device is securely mounted before use.
 - Use the specified torque settings when attaching the handstop to prevent overtightening or undertightening.
 - Do not exceed the torque specifications:
 - 4.0 N·m (35 lb·in) for metal accessories on metal handguards.
 - 1.7 N·m (15 lb·in) for polymer or metal accessories on polymer handguards.
- **Age or Audience Specific Warnings:**
 - This product is intended for use by individuals aged 18 and older. Ensure that all users are adequately trained in firearm safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition before beginning installation.
- Locate the MLOK slots on your handguard.
- Position the HRD Extended MLOK Handstop in the desired location across the MLOK slots.
- Insert the Tslot nuts into the MLOK slots and align them with the holes on the handstop.
- Use the provided mounting hardware to secure the handstop.
- Apply the specified torque settings to ensure a secure fit.

2. Usage:

- When using the handstop, maintain a firm grip to enhance control and stability.

- Practice safe handling techniques when operating your firearm.
- Regularly check the handstop for any signs of loosening or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is disposed of safely to prevent injury to others.
- Do not dispose of the product in regular household waste. Check for recycling options for aluminum materials.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please reach out to the designated EU contact point provided with your product packaging or through the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the HRD Extended MLOK Handstop. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these important safety measures.
