AR15 Standard Butt Pad Safety Instructions

Introduction

Thank you for choosing the AR15 Standard Butt Pad from B5 Systems. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively.

General Safety Guidelines

- Ensure that the butt pad is compatible with your specific AR15 model.
- Inspect the butt pad regularly for any signs of damage or wear. Do not use if damaged.
- Keep the butt pad out of reach of children and vulnerable individuals when not in use.
- Always follow safe handling practices when using firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Material Safety:** The butt pad is made from heat and chemical resistant rubber. Avoid exposure to extreme temperatures or harsh chemicals to maintain its integrity.
- **Installation Safety:** Ensure that the installation area is clear of obstructions and distractions to avoid accidents.
- **Recoil Management:** The butt pad features recoil reducing properties. Ensure proper shoulder placement during use to maximize effectiveness.
- **Tool Usage:** The internal compartment is designed for the MultiTasker M:4 tool, which is sold separately. Do not attempt to use the butt pad without the appropriate tool.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before beginning installation.
- Remove the existing butt pad from your B5 Systems SOPMOD, Bravo, or BravoC buttstock.
- Align the AR15 Standard Butt Pad with the buttstock.
- Press firmly until the butt pad is securely attached. Ensure it is fitted snugly and there is no movement.
- If necessary, use the MultiTasker M:4 tool for adjustments (sold separately).

2. Usage:

- When using the firearm, ensure the butt pad is properly positioned against your shoulder.
- Maintain a firm grip on the firearm to control recoil effectively.
- Regularly check the butt pad for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the butt pad in accordance with local regulations regarding rubber and plastic materials.
- Do not incinerate the butt pad as it may release harmful substances.
- If the product is damaged beyond use, contact your local waste management for proper disposal guidance.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Standard Butt Pad, please refer to the manufacturer's contact information provided on the packaging or visit the official website of B5 Systems.

Thank you for your attention to these safety guidelines. Your safety is our priority.
