

MOUNT FOR AIMPOINT ACRO P-1 AND P-2 OPTIC - ARISAKA DEFENSE MOUNT FOR AIMPOINT ACRO P-1 AND P-2 OPTICS, 1.7" HEIGHT, BLK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The Patent Pending Arisaka Aimpoint Acro Mount is designed for the Aimpoint Acro P-1 and P-2 optics. The low profile, minimalist design and 7075-T651 aluminum construction with MIL-A-8625 Type III hard coat anodizing ensures strength and durability. The Arisaka Aimpoint Acro Mount is available in 1.70" and 1.93" heights, and with black or clear (tan) hard coat anodizing. Why does Arisaka offer 1.70"? Many people find this height provides the perfect balance between heads up orientation and enough cheekweld to be consistent, which is evident in the rising popularity of 1.70" scope mounts. Weight: 1.70" - 3.0 oz 1.93" - 3.1 oz Each mount is CNC machined from 7075-T651 aluminum and MIL-A-8625 Type III hard coat black or clear anodized (clear hard coat with 7075 provides the tan color). Anodizing colors may slightly vary from part to part and batch to batch, and is completely normal. Includes all necessary screws and tools to attach optic to mount. Recommended torque values: Picatinny clamp - 50 inch lbs (5.7 Nm) Optic to mount - 27 inch lbs (3.0 Nm) Hardware: One 10-32x1.25" torx socket cap screw. Made in the USA.

Safety Instruction Guide for Arisaka Aimpoint Acro Mount

Introduction

Thank you for choosing the Arisaka Aimpoint Acro Mount for your Aimpoint Acro P1 and P2 optics. This guide provides essential safety instructions and information to ensure the proper and safe use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount Aimpoint Acro P1 and P2 optics securely.
- Regularly inspect the mount for any signs of wear, damage, or loose components before each use.
- Use the mount in accordance with the manufacturer's guidelines to avoid accidents or injuries.
- Keep the mount out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the mount is securely attached to the optic before use.
- Do not exceed the recommended torque values during installation:
 - Picatinny clamp: 50 inch lbs (5.7 Nm)
 - Optic to mount: 27 inch lbs (3.0 Nm)
- Avoid using the mount if any parts are damaged or if it has been involved in an impact.
- Be cautious when adjusting the optic, as improper handling can lead to misalignment or damage.
- Ensure that the mount is compatible with your specific optic model before installation.

Instructions for Installation and Usage

1. Gather Required Tools:

- One 1032x1.25" torx socket cap screw (included).
- Additional tools may be needed, such as a torque wrench.

2. Installation Steps:

- Place the mount on the Picatinny rail of your firearm.
- Align the mount with the desired position on the rail.
- Secure the mount using the torx socket cap screw.
- Tighten the screw to the recommended torque value (50 inch lbs or 5.7 Nm).

3. Attaching the Optic:

- Position the Aimpoint Acro P1 or P2 optic onto the mount.
- Use the provided screws to attach the optic securely to the mount.
- Tighten the screws to the recommended torque value (27 inch lbs or 3.0 Nm).

4. Final Check:

- Inspect the installation to ensure everything is tight and secure.
- Perform a function check to ensure the optic is properly aligned and operational.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in general household waste.
- Consider recycling options for aluminum components if available in your area.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or customer service.

By following these guidelines, you can ensure the safe use of the Arisaka Aimpoint Acro Mount. Thank you for your attention to safety, and enjoy your product!
