

34 ALPHA CHEST RIG - SPIRITUS SYSTEMS 34 ALPHA CHEST RIG BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

34 Alpha Chest Rig The 34 Alpha Chest Rig is a split chassis that will interface directly with the existing Spiritus Systems straps and pouches. This is a true blank-slate platform that enables load-carriage configuration options for weapon ammo of nearly any caliber, and when combined with the Spiritus Systems current Pouch Suite, the end user's options are near-limitless. The system is constructed to be as low-profile as possible to add minimal bulk to the finished split rig, letting the end-user configure a chest rig that does exactly what they need it to do on any given mission without added bulk or unused space. The system can be paired with a set of Micro Fight Fat Straps and Back Strap to create a complete platform for a wide range of load bearing configurations. The panels are built with Squadron MOLLE front faces and elastic cells on the back for extra storage. The bottom of each 34 Alpha Panel also has a Velcro slot to mount hanger pouches. The chest rig panels are connected via two sliding Fastex buckles that provide a secure connection point, as well as quick, one-handed, opening and closing when engaging in activities that may require an open front configuration (i.e. going into the prone). They also allow for micro adjustments at the front without having to modify the width of the back strap. Each panel features six columns of MOLLE on the front and is compatible with all of Spiritus' GP Pouches, our SPUD Pouch, the Liberty Dynamic Flash Bang Pouch, the JSTA Pouch, and Nalgene Water Bottle Pouch. The top of the panel is built with integrated anchor point holes that give the wearer a secure solution for internal magazine retention when combined with our bungee retention kit, or to tie down secure items stored on the chest rig pouches. The internal elastic cells in the back are sewn in at three different widths to accommodate a wide range of items ranging from pistol magazines and multi-tools, all the way to 7.62 rifle mags and more. When assembled, the 34 Alpha Split Rig gives end-users access to a load bearing solution that will support a wide range of weapon platforms, mission profiles, and loadouts. NOTE: This is part of the Spiritus Systems Chest Rig System. This item does not include the chassis, shoulder straps, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

34 Alpha Chest Rig Safety Instructions

Introduction

Thank you for choosing the 34 Alpha Chest Rig by Spiritus Systems. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this document carefully to understand how to use the chest rig effectively and safely.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the chest rig by following all instructions provided in this manual. The chest rig is designed for load carriage and should only be used for its intended purpose.
- **Enhanced Recalls:** Stay informed about any potential recalls or safety notices. If you receive a recall notice, follow the instructions provided to remedy any issues.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements and provides the same protections as physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is used only by individuals who understand its operation and safety features.
- **EU Contact Point:** For safety inquiries, please refer to the contact point provided by the retailer or distributor.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Correct Use:** Always use the chest rig as intended, following the guidelines for loadbearing configurations.
- **Weight Limit:** Do not exceed the recommended weight limit for the chest rig to prevent injury or equipment failure.
- **Adjustments:** Ensure all straps and buckles are properly adjusted before use to avoid slippage or accidental release.
- **Inspection:** Regularly inspect the chest rig for wear and tear. Replace any damaged components immediately.
- **Environment:** Avoid using the chest rig in extreme weather conditions that may affect its performance or safety (e.g., heavy rain, extreme heat).
- **Training:** Ensure that users are trained in the proper use of the chest rig, especially in tactical situations.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the chest rig from its packaging. Check for any visible damage or missing parts.
2. **Adjusting Straps:**
 - Loosen all straps before putting on the chest rig.
 - Slide the straps through the buckles to adjust to a comfortable fit.
 - Once fitted, ensure that the straps are snug but not overly tight.
3. **Attaching Pouches:**
 - Use the MOLLE system to attach compatible pouches securely.
 - Ensure that all pouches are properly secured and do not obstruct movement.
4. **Securing the Rig:**
 - Connect the two panels using the sliding Fastex buckles.
 - Ensure the buckles are fully engaged and secure.
5. **Using the Rig:**
 - Load the rig with the intended equipment, ensuring the weight is distributed evenly.
 - Test the rig's stability by moving around to ensure it remains securely in place.
6. **Removing the Rig:**

- To remove, release the buckles by pressing the sides and gently pulling apart.
- Store the chest rig in a cool, dry place when not in use.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the chest rig in accordance with local regulations. Do not dispose of it in regular household waste if it contains nonbiodegradable materials.
- **Recycling:** If possible, recycle components of the chest rig made from recyclable materials.
- **Hazardous Materials:** If any components are deemed hazardous, follow local disposal guidelines for hazardous waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the 34 Alpha Chest Rig, please consult the retailer or distributor from whom you purchased the product. They will provide the necessary support and information.

Thank you for choosing Spiritus Systems. Stay safe and enjoy your 34 Alpha Chest Rig!
