Safety Instruction Guide for SHOCKWAVE 12/20 GAUGE ADAPTER FOR MOSSBERG 500/590

Introduction

Thank you for choosing the SHOCKWAVE 12/20 GAUGE ADAPTER FOR MOSSBERG 500/590. This product is designed to enhance the functionality of your Mossberg shotguns by allowing the installation of AR stocks, braces, and pistol grips. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always follow local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the adapter for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure the shotgun is unloaded before beginning installation.
 - Use appropriate tools and follow installation instructions carefully.
- **Use of the Adapter:**
 - Do not exceed the torque specifications for grip screw, which is 2530 inchpounds. Overtightening may cause damage.
 - Ensure that the adapter is securely attached before use.
- **Sights:**
 - The adapter is designed to accommodate factory sights (Bead, Rifle, and Ghost Ring Sights). Ensure proper alignment before use.
- **Buffer Tubes:**
 - The adapter is compatible with both mil spec and commercial buffer tubes. Confirm compatibility before installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Mossberg 500/590 shotgun is completely unloaded and safe to handle.
- Gather the necessary tools for installation, including a torque wrench.

2. Installation Steps:

- Remove the existing stock or grip from your shotgun.
- Align the SHOCKWAVE adapter with the mounting points on the shotgun.
- Insert the mounting hardware and secure the adapter using the appropriate torque specifications (2530 inchpounds).
- Ensure that the adapter is firmly attached and does not move.

3. Attaching AR Stock/Brace and Pistol Grip:

- Attach your chosen AR stock or brace to the buffer tube.

- Secure the pistol grip according to the manufacturer's instructions.
- Confirm that all components are tightly secured and functioning correctly before use.

4. PostInstallation Check:

- Inspect the installation to ensure there are no loose parts.
- Check the alignment of the sights and make adjustments as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options for polymer materials.

Contact Information for Further Support

For any safety inquiries or support regarding the SHOCKWAVE 12/20 GAUGE ADAPTER FOR MOSSBERG 500/590, please refer to the manufacturer's website or contact customer support.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priority. Enjoy using your SHOCKWAVE adapter responsibly.
