# Safety Instruction Guide for AK Picatinny End Plate Adaptor

## Introduction

Thank you for choosing the AK Picatinny End Plate Adaptor by Midwest Industries. This product is designed to enhance the functionality of your AKM pattern rifles, including models with 4.5 Pin Size, 5.5 Pin Size, and Yugo models. This guide provides important safety instructions to ensure the safe installation and use of the adaptor in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the adaptor is compatible with your specific firearm model.
- Use the adaptor only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the adaptor for signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to firearm malfunction.
- Failure to cut off the stock tang as required may cause the adaptor to detach during use.
- Using the adaptor with incompatible models may result in injury or damage.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before beginning installation.
- Use proper tools as recommended for installation to avoid injury.
- Wear safety glasses while cutting or modifying parts.
- Do not attempt to modify the adaptor or firearm beyond the manufacturer's instructions.

### • Age and Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users are guided by a knowledgeable individual during installation and use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and well lit.
- Gather all necessary tools for installation, including a cutting tool for the stock tang.

### 2. Installation Steps:

- **Step 1:** Unload your firearm completely.
- **Step 2:** Remove the existing stock tang from your firearm according to the manufacturer's instructions. Ensure that the area is smooth and free of debris.

- **Step 3:** Align the AK Picatinny End Plate Adaptor with the trunnion of your firearm.
- **Step 4:** Secure the adaptor in place using the provided hardware. Ensure that it is tightly fitted to avoid movement.
- **Step 5:** Doublecheck all connections and ensure that the adaptor is securely attached.
- **Step 6:** After installation, test the fit by gently pulling on the adaptor to ensure it is snug.

### 3. Usage Tips:

- The adaptor allows for the use of 1913 style fixed or side folding stocks.
- Always follow the manufacturer's guidelines for the stock you choose to attach.
- Regularly inspect the adaptor and connections to ensure they remain secure during use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the adaptor, check for local recycling programs that accept aluminum products.
- Do not dispose of in regular household waste if it can be recycled.

## Contact Information for Further Support

- For any questions or concerns regarding the AK Picatinny End Plate Adaptor, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure a safe and effective experience with your AK Picatinny End Plate Adaptor. Thank you for your attention to safety.
