

# AR-15 SHIFT PINS - STRIKE INDUSTRIES AR-15 SHIFT PINS IN BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Pins](#)

The Strike Industries Shift Pins bring yet another innovative solution to the AR15 market. Already keeping the extended grip surface for easy disassembly without a need for a pin punch, the pins are also designed with Quick Detach mechanisms that result in not needing to remove your stock assembly (endplate, castle nut, buffer tube, etc.). Simply rotate, and remove the pins as shown. This new design combined with our enhanced detent pins retained inside the pin springs assist in making assembly and disassembly an almost effortless task with minimal tools and effort. The SI Shift Pin is CNC machined from solid steel for strength, precision fit and corrosion resistance. This is a replacement for the standard AR15/M16/M4 takedown pins and fits most AR standard and billet receivers. DISCLAIMER: Due to the compact design of the PDW Stock and PDW Stabilizer, the SI Extended, Shift & Ultra Light Pivot / Takedown Pins, as well as other possible extended pin sets on the market, will bind or not clear the slide rods. Finish: Black: Black oxide Contents: 1x Pivot Pin 1x Takedown Pin Features: Less steps needed to remove pins Early tool less assembly and removal Combine with the enhanced detent pins for easier assembly and removal eliminates the need for a pin punch. Locks into place securely. Innovative QD rotation feature NeQuick rifle assembly and disassembly Improved corrosion resistance Note: Designed around Forged Mil-Spec receivers. May not fit some billet lower receivers. -CALIFORNIA PROPOSITION 65 WARNING:- WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. # Safety Instruction Guide for AR15 Shift Pins by Strike Industries

## Introduction

Thank you for choosing the AR15 Shift Pins by Strike Industries. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only as intended for AR15 platforms.
- Always follow all local laws and regulations regarding firearm accessories.
- Store the Shift Pins in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Shift Pins for wear and damage before use.
- If you encounter any issues or have concerns regarding safety, do not hesitate to seek professional assistance.

## Specific Safety Precautions for Use

- Use only with standard AR15/M16/M4 receivers; verify compatibility with your firearm.
- Do not use the Shift Pins if they show signs of damage or wear.
- Avoid using excessive force when installing or removing the Shift Pins to prevent injury or damage.
- Be aware that the product may not fit some billet lower receivers; check compatibility before use.
- Follow all assembly and disassembly instructions carefully to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before starting the installation process.

### 2. Installation:

- Align the Shift Pins with the designated holes on your receiver.
- Rotate the Shift Pins according to the instructions provided to secure them in place.
- Ensure that the pins lock into place securely.

### 3. Disassembly:

- To remove the Shift Pins, rotate them as instructed.
- Carefully pull the pins out of the receiver without applying excessive force.

### 4. PostInstallation Checks:

- After installation, check that the Shift Pins are properly secured and functioning.
- Test the operation of your firearm to ensure everything is in working order.

## Disposal Instructions

- Dispose of any damaged or worn Shift Pins in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety, product usage, or compatibility, please consult with a qualified firearms expert or your local dealer.

Thank you for choosing Strike Industries. Your safety is our priority. Please adhere to all safety guidelines and enjoy your new AR15 Shift Pins responsibly.
