

# NX8 2.5-20X50MM F2 RIFLE SCOPES - NX8 2.5-20X50MM SFP ILLUMINATED MOAR-CF2 RETICLE DARK EARTH

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

## Rugged Riflescope Designed for Field Use

Even though it's smaller in size than many of today's high-power, long-range optics, the Nightforce NX8 is more than capable of providing premium performance downrange, thanks to its incredibly clear glass and the inclusion of the company's purpose-built F2 reticles. Available with either an MOAR-CF2 or a MIL-CF3 reticle, these sighting systems provide an open center and an intuitive system of subtensions for rapid adjustments. Each Nightforce NX8 2.5-20x50mm Riflescope is built with the company's extreme dispersion optical system, which provides enhanced clarity and quality in a scope tube that's shorter than many others on the market. The optic is equipped with a second focal plane reticle, which means that the reticle remains consistent in size throughout the magnification range. Other features included on the Nightforce NX8 2.5-20x50mm Riflescope are the company's ZeroStop turret, enhanced power-throw lever and the DigIllum reticle illumination system. Both optics are built on 30mm tubes for increased durability and adjustment range.

# Safety Instruction Guide for NX8 2.520X50MM F2 Rifle Scopes

## Introduction

Thank you for choosing the Nightforce NX8 2.520X50MM F2 Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. Please read this document carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the NX8 Rifle Scope by following all instructions and safety precautions outlined in this guide.
- **Enhanced Recalls:** Stay informed about any recall notices related to the NX8 Rifle Scope. In case of a recall, follow the instructions provided for a free remedy.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements to guarantee product safety.
- **Special Consumer Focus:** Take extra care when using this product around vulnerable individuals, including children. Ensure that it is stored in a safe place away from their reach.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or the manufacturer's website for contact information within the EU.
- **Rapid Alerts:** Keep updated on any safety alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with care. Avoid dropping or subjecting it to strong impacts.
- **Mounting:** Ensure that the riflescope is mounted securely to your firearm according to the manufacturer's instructions. Improper mounting can lead to accidents.
- **Eye Protection:** Always use appropriate eye protection when handling or using the riflescope to prevent injury.
- **Cleaning:** Use only recommended cleaning materials and methods to avoid damaging the lenses or other components of the scope.
- **Storage:** Store the riflescope in a cool, dry place when not in use. Avoid exposing it to extreme temperatures or humidity.
- **Usage:** Never use the riflescope for purposes other than its intended use. Do not modify the product in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before beginning the installation process.
- Select a suitable mounting location on your firearm.
- Use the appropriate mounting rings and tools to secure the riflescope in place.
- Doublecheck that all screws and mounts are tightened properly.

### 2. Usage:

- Adjust the magnification according to your shooting needs by rotating the magnification ring.
- Use the powerthrow lever for quick adjustments.
- Familiarize yourself with the reticle and subtensions for accurate aiming.
- Always ensure that the riflescope is properly zeroed before taking any shots.

### **3. Maintenance:**

- Regularly check the scope for any signs of damage or wear.
- Clean the lenses with a soft, lintfree cloth to maintain clarity.
- Inspect the mounting hardware periodically to ensure it remains secure.

## **Disposal Instructions**

- Follow local regulations for the disposal of electronic devices and optics.
- If the product is no longer usable, consider recycling it at a designated electronic waste facility.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the NX8 Rifle Scope, please refer to the product packaging or the manufacturer's website for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Nightforce NX8 2.520X50MM F2 Rifle Scope. Thank you for your attention to these important safety measures.
