

NX8 4-32X50MM F1 RIFLE SCOPES - NX8 4-32X50MM F1 FFP ILLUMINATED MOAR RETICLE DARK EARTH

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 4-32x50 F1 riflescope is a compact and capable long range riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. An integrated PTL (Power Throw Lever) makes power changes fast and easy. The compact size and incredible capability of the NX8 4-32x50 F1 makes it an instant favorite for nearly any rifle and intended use. 8x zoom range Red and Green Illumination 26 MRAD/90 MOA total Elevation 20 MRAD/70 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

NX8 432X50MM F1 Rifle Scope Safety Instruction Guide

Introduction

Thank you for choosing the NX8 432X50MM F1 Rifle Scope. This guide provides essential safety instructions and guidelines for the safe use of your riflescope. Please read and understand this information before using the product to ensure a safe and enjoyable experience.

General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to prevent damage.
- Keep the riflescope away from children and unauthorized users.
- Be aware of your surroundings when using the riflescope to avoid accidents.
- Regularly check the riflescope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with the NX8 riflescope.
- **Mounting:** Ensure that the riflescope is securely mounted to the firearm according to the manufacturer's instructions.
- **Zeroing the Scope:** Properly zero the scope before use to ensure accurate targeting.
- **Illumination Caution:** Use the illumination feature responsibly; do not point the illuminated reticle at anyone.
- **Environmental Considerations:** Avoid using the riflescope in extreme weather conditions that may affect its performance.
- **Maintenance:** Regularly clean the lenses and housing to maintain optimal performance. Do not use abrasive materials.

Instructions for Installation and Usage

1. Mounting the Scope:

- Select a suitable mounting base compatible with your firearm.
- Securely attach the riflescope to the mounting base using the provided screws.
- Ensure the scope is level and aligned with the barrel.

2. Adjusting the Scope:

- Use the elevation and windage adjustments to zero the scope at your desired distance.
- Make adjustments in small increments, typically 1/4 MOA per click.

3. Using the Illumination:

- To activate the illumination, locate the illumination control knob.
- Rotate the knob to select the desired brightness level for red or green illumination.
- Turn off the illumination when not in use to conserve battery life.

4. Parallax Adjustment:

- Adjust the parallax setting based on your shooting distance, starting from 11 yards to infinity.
- Ensure the parallax is set correctly to avoid focusing issues.

5. Final Checks:

- After installation and adjustments, perform a final check to ensure all components are secure.
- Test the scope at the range to confirm proper functionality.

Disposal Instructions

- Dispose of the NX8 riflescope in accordance with local regulations regarding electronic waste.
- Remove the battery (CR2032) before disposal and follow proper battery recycling guidelines.
- Do not dispose of the riflescope in regular household waste.

Contact Information for Further Support

For further assistance or inquiries regarding the NX8 432X50MM F1 Rifle Scope, please refer to the manufacturer's website or contact their customer support.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure the safe and effective use of your NX8 432X50MM F1 Rifle Scope. Thank you for your attention to these important safety instructions.
