

NX8 1-8X24MM FFP RIFLE SCOPE - NX 8 1-8X24MM FFP ILLUMINATED FC-MOA RETICLE DARK EARTH

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Offers Owners a Leading Rifle Optic

The NX8 1-8X24 F1 is a class leading, compact and lightweight riflescope optimized for short to mid-range shooting. At only 8.75" in length and 17 ounces, this riflescope adds minimal size and weight but delivers superior optics and trusted Nightforce performance to any rifle. With the daylight visible center red dot users can engage targets with speed like a red-dot sight, but as targets increase in distance the intelligent first focal plane reticle provides precise hold points. For those preferring to dial for long shots, the ZeroStop elevation adjustment allows for a rapid and positive return to zero. To aid in fast magnification adjustments, a built-in Power Throw Lever (PTL) is included. First Focal Plane Reticle Weighs 17 ounces Built on a 30mm tube 0.2 MRAD or 0.50 MOA adjustments 100 MOA/30 MRAD of total internal adjustment

NX8 18X24MM FFP RIFLE SCOPE SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the NX8 18X24MM FFP Rifle Scope. This guide provides essential safety information and instructions to ensure the safe and effective use of your riflescope. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the riflescope. This product is designed for shooting sports and should only be used in accordance with the guidelines provided.
- **Enhanced Recalls:** Stay informed about any product recalls. In the event of a recall, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations. Verify that the product meets EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the product documentation or the manufacturer's website for the appropriate contact information.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates regarding product safety and potential hazards.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use eye protection when handling or using the riflescope.
- **Proper Handling:** Handle the riflescope with care to avoid drops or impacts that may damage the device.
- **Check for Damage:** Before each use, inspect the riflescope for any signs of damage or malfunction. Do not use if damaged.
- **Correct Mounting:** Ensure the riflescope is properly mounted on the rifle. Follow the installation instructions carefully.
- **Safe Shooting Practices:** Always follow safe shooting practices. Ensure the shooting area is clear of people and obstacles.
- **Use in Appropriate Conditions:** Do not use the riflescope in extreme weather conditions that may impair visibility or functionality.

Instructions for Installation and Usage

1. Mounting the Riflescope:

- Select a suitable mounting base for your rifle.
- Align the riflescope with the mounting base and tighten the mounting rings securely.
- Ensure the riflescope is level and properly aligned with the rifle.

2. Adjusting the Reticle:

- To adjust the reticle, use the provided elevation and windage turrets.
- Make adjustments in small increments to ensure precision.

3. Using the Magnification:

- Rotate the magnification ring to adjust the power setting as needed.
- Use the builtin Power Throw Lever (PTL) for quick adjustments.

4. **Illumination:**

- To activate the illuminated reticle, locate the illumination control and adjust to the desired brightness level.
- Turn off the illumination when not in use to conserve battery life.

5. **Zeroing the Scope:**

- To zero the scope, fire a group of shots at a target and adjust the turrets according to the point of impact.
- Use the ZeroStop feature to return to your zero setting quickly after adjustments.

Disposal Instructions

- **Environmental Considerations:** Dispose of the riflescope and its components in accordance with local regulations. Do not dispose of electronic components in regular household waste.
- **Battery Disposal:** Remove the battery (CR2032) before disposal. Dispose of batteries at designated recycling centers or according to local regulations.

Contact Information for Further Support

For any questions or concerns regarding the NX8 18X24MM FFP Rifle Scope, please refer to the product documentation or visit the manufacturer's website for additional support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NX8 18X24MM FFP Rifle Scope. Thank you for your attention to safety.
