# Safety Instruction Guide for GOLD DOT 30 CALIBER (0.308") RIFLE BULLETS

## Introduction

Welcome to the safety instruction guide for the GOLD DOT 30 CALIBER (0.308") RIFLE BULLETS by Speer. This guide is designed to ensure the safe handling and usage of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully to understand the safety measures and instructions associated with this product.

## General Safety Guidelines

- Ensure that you are of legal age and possess the necessary permits to purchase and use ammunition in your jurisdiction.
- Store ammunition in a cool, dry place, away from direct sunlight and out of reach of children and unauthorized individuals.
- Always handle ammunition with care and respect, treating it as if it is live at all times.
- Regularly inspect your ammunition for any signs of damage or degradation before use.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Ensure that the firearm you are using is compatible with 30 caliber (0.308") ammunition.
- Do not attempt to modify or reload these bullets; they are designed for specific performance and safety standards.
- Keep the firearm pointed in a safe direction at all times, even when loading or unloading.
- Be aware of your target and what lies beyond it before firing.
- Follow all manufacturer guidelines for your firearm to ensure proper usage and safety.

## Instructions for Installation and Usage

### • Installation:

- Ensure your firearm is unloaded before handling ammunition.
- Open the box of GOLD DOT 30 CALIBER (0.308") RIFLE BULLETS carefully to avoid damaging the bullets.
- Inspect each bullet for any visible defects or damage before use.

### • Usage:

- Load the bullets into your firearm as per the manufacturer's instructions.
- Always check the chamber to ensure it is clear before loading.
- Fire the ammunition in a controlled environment, ensuring that you are in a designated shooting area.
- After firing, clean your firearm according to the manufacturer's recommendations to maintain performance and safety.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; instead, contact local authorities or a licensed disposal service

for guidance.

- If you encounter a misfire or a bullet that fails to fire, do not attempt to reuse it. Follow the manufacturer's guidelines for safe disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please consult the relevant authorities or your local firearm dealer for assistance.

By adhering to these guidelines, you can ensure a safer experience while using the GOLD DOT 30 CALIBER (0.308") RIFLE BULLETS. Thank you for your attention to these important safety measures.
