Pistol Racks Savior Equipment Pistol Storage Rack Safety Instructions

Introduction

Thank you for choosing the Pistol Racks Savior Equipment Pistol Storage Rack. This product is designed to provide a safe and convenient way to store and transport your pistols. To ensure your safety and the safety of others, please read and follow these instructions carefully.

General Safety Guidelines

- Always use the pistol rack in accordance with the manufacturer's instructions.
- Inspect the pistol rack for any damage before use. Do not use if damaged.
- Keep the pistol rack out of reach of children and pets.
- Ensure that the rack is placed on a stable surface to prevent tipping.
- Do not overload the pistol rack beyond its designed capacity.
- Regularly check for wear and tear, especially on the foam cushioning and polymer plates.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that all firearms stored in the rack are unloaded before placing them in the slots.
- Avoid placing firearms in a way that they can touch or rub against each other, which may cause damage.
- Use caution when transporting the rack to avoid dropping or mishandling it.
- Do not modify the pistol rack in any way, as this may compromise its safety features.
- Store the rack in a dry place to prevent damage from moisture.

Instructions for Installation and Usage

1. Assembly:

- Gather all components included in the package.
- Follow the provided instructions to assemble the rack using the included tools.
- Ensure all parts are securely fastened before use.
