# Safety Instruction Guide for SPECIALIST COVERT SINGLE RIFLE CASE

## Introduction

Thank you for choosing the Specialist Covert Single Rifle Case by Savior Equipment. This product is designed to provide safe and effective storage and transport for your rifle. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

## General Safety Guidelines

- Ensure that the rifle case is used only for its intended purpose: to store and transport rifles safely.
- Regularly inspect the case for any signs of wear, damage, or defects. Do not use a damaged case.
- Keep the case out of reach of children and unauthorized users.
- When transporting firearms, ensure that they are unloaded and comply with all local laws and regulations.
- Be aware of your surroundings when using the case in public or unfamiliar areas.

## Specific Safety Precautions for Use

- **Padded Single Rifle Compartment:** Always ensure that your rifle is securely placed in the padded compartment to prevent movement during transport.
- **Rigid Hook & Loop Lockdown Straps:** Use the lockdown straps to secure your rifle firmly in place. Ensure they are properly fastened to avoid accidental release.
- **Adjustable Muzzle Holder:** Adjust the muzzle holder to fit your rifle correctly. A loose fit can lead to instability.
- **Concealed Pocket with Loop Panel for Holster:** Use only for holstering accessories that are compatible with the case. Ensure that the holster is securely attached.
- **Concealable Padded Backpack Straps:** When using the backpack straps, ensure they are adjusted to fit your body properly for comfort and stability.
- **Lockable Zippers:** Always lock the zippers when the case is not in use to prevent unauthorized access.
- **DoubleStitched Seams:** Inspect seams regularly to ensure they are intact. Do not use the case if seams are fraying or damaged.

## Instructions for Installation and Usage

### 1. Unpacking the Case:

- Carefully remove the case from its packaging.
- Inspect the case for any damage or defects before use.

### 2. Loading the Rifle:

- Open the case and lay it flat on a stable surface.
- Place the rifle in the padded compartment, ensuring it fits securely.
- Use the adjustable muzzle holder to secure the front of the rifle.
- Fasten the rigid hook & loop lockdown straps over the rifle.

### 3. Using Accessory Pockets:

- Utilize the exterior accessory pockets for storing magazines, tools, or other items.
- Ensure that all items are securely stored to prevent movement during transport.

#### **4. Carrying the Case:**

- Use the padded backpack straps for comfortable carrying.
- Adjust the straps to fit your body size and ensure the case is balanced.
- If using the case with a holster, ensure it is properly secured in the concealed pocket.

#### **5. Storage:**

- When not in use, store the case in a cool, dry place away from direct sunlight.
- Ensure the case is closed and locked to prevent dust and moisture from entering.

## **Disposal Instructions**

When the Specialist Covert Single Rifle Case reaches the end of its life cycle, please dispose of it responsibly.

- If the case is damaged beyond repair, consider recycling the materials if possible.
- Check with local waste management authorities for guidelines on disposing of synthetic materials and textiles.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Specialist Covert Single Rifle Case, please reach out to your local distributor or the manufacturer directly.

Thank you for following these safety instructions. Your safety and the safety of others depend on proper use and care of your Specialist Covert Single Rifle Case.
