Specialist Covert Single Rifle Case Safety Instructions

Introduction

Thank you for choosing the Specialist Covert Single Rifle Case by Savior Equipment. This product is designed with the needs of professionals in mind, ensuring safety and functionality. To ensure safe use and compliance with EU General Product Safety Regulation (GPSR), please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the case is used only for its intended purpose of storing and transporting firearms.
- Regularly inspect the case for any signs of wear or damage. Do not use a damaged case.
- Keep the case out of reach of children and unauthorized users.
- Always secure firearms in the case to prevent accidental discharge or injury.
- Follow local laws and regulations regarding firearm storage and transportation.

Specific Safety Precautions for Use

- **Padded Single Rifle Compartment:** Ensure that the rifle is properly secured in the padded compartment to prevent movement during transport.
- **Rigid Hook & Loop Lockdown Straps:** Always use the lockdown straps to secure the rifle in place. This will help prevent any shifting that could lead to damage or injury.
- **Adjustable Muzzle Holder:** Adjust the muzzle holder to fit your specific firearm. This will help to stabilize the firearm within the case.
- **Concealed Pocket with Loop Panel:** Only use the concealed pocket for items that are needed for firearm use. Ensure that all items are secured and do not interfere with the case's function.
- **Concealable Padded Backpack Straps:** When using the backpack straps, ensure they are securely fastened and adjusted to fit your body properly to avoid strain or injury.
- **Lockable Zippers:** Always lock the zippers when not in use to prevent unauthorized access to the contents of the case.

Instructions for Installation and Usage

1. Unpacking the Case:

- Carefully remove the case from its packaging.
- Inspect the case for any visible damage. If damaged, do not use the case and contact customer support.

2. Loading the Rifle:

- Open the case and lay it flat on a stable surface.
- Place the rifle into the padded single rifle compartment.
- Use the rigid hook & loop lockdown straps to secure the rifle in place.

3. Adjusting the Muzzle Holder:

- Adjust the muzzle holder to fit the specific dimensions of your rifle.
- Ensure that the muzzle holder is firmly in place to prevent any movement.

4. Storing Accessories:

- Use the exterior accessory pockets for storing additional items like magazines or tools.
- Ensure that all items stored in the pockets are secure and do not protrude from the case.

5. Transporting the Case:

- When transporting, use the padded backpack straps for comfort.
- Ensure that all zippers are locked when not in use.

6. Cleaning and Maintenance:

- Clean the exterior and interior surfaces with a damp cloth.
- Allow the case to dry completely before storing to prevent mold or mildew.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the case is damaged beyond repair, consider recycling the materials where possible.
- Do not burn the product, as it may release harmful substances.
