

# DAKA BLOCK EXPANSION KIT - MAGPUL DAKA BLOCK EXPANSION KIT BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

The DAKA Block Expansion Kit is an additional set of DAKA Organizational Blocks that is compatible with the DAKA GRID Organizer line, providing even more adjustability to your case. The Expansion Kit includes six Double Blocks and six Triple Blocks to secure additional items or provide extra support to current GRID Organizer setups. Blocks are available in two lengths: 1x2 and 1x3. Lightweight, strong EPP blocks provide high-level, padded protection, and eliminate shifting of gear during transport. Quick and easy adjustments of the DAKA Blocks let you maximize the storage capacity of a hard case.

# DAKA Block Expansion Kit Safety Instructions

## Introduction

Thank you for choosing the DAKA Block Expansion Kit by MAGPUL. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before use to ensure proper installation and operation.

## General Safety Guidelines

- Always handle the DAKA Block Expansion Kit with care to avoid injury.
- Ensure that the kit is used solely for its intended purpose as specified in this manual.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the blocks for signs of wear or damage before each use. Do not use damaged components.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the DAKA Blocks are securely attached to the DAKA GRID Organizer before use.
- Avoid overloading the blocks beyond their intended capacity to prevent failure.
- Be cautious when adjusting the blocks to avoid pinching or trapping fingers.
- Do not expose the blocks to extreme heat or fire, as this may compromise their integrity.
- If using the blocks in a vehicle, ensure they are properly secured to prevent movement during transport.

## Instructions for Installation and Usage

### 1. Installation of DAKA Blocks:

- Identify the desired location on the DAKA GRID Organizer for the blocks.
- Select the appropriate block size (1x2 or 1x3) based on your needs.
- Align the block with the grid slots and push firmly until it clicks into place.
- Repeat for additional blocks as needed.

### 2. Adjusting the Blocks:

- To reposition a block, gently pull it out of the grid slot.
- Choose a new location and reinsert the block securely.
- Ensure that the block is firmly in place before loading items onto it.

### 3. Loading Items:

- Place items evenly across the blocks to maintain balance and prevent tipping.
- Avoid stacking items too high to reduce the risk of toppling.
- Regularly check that items remain securely in place during use.

### 4. Removing Blocks:

- To remove a block, pull it straight out of the grid slot.
- Store blocks in a safe location when not in use.

## Disposal Instructions

- Dispose of the DAKA Block Expansion Kit in accordance with local regulations.

- Do not dispose of the product in household waste.
- Consider recycling options for the materials, if applicable.

## Contact Information for Further Support

For any inquiries or concerns regarding the DAKA Block Expansion Kit, please refer to the manufacturer's contact information provided on the product packaging or the official website.

Thank you for ensuring your safety and the safety of others while using the DAKA Block Expansion Kit. By following these guidelines, you can maximize the effectiveness of your product while minimizing risks.
