# BUSHING FULL LENGTH ULTRA MICROMETER DIE SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Bushing Full Length Ultra Micrometer Die Set from Forster Products, Inc. This product is designed for precision reloading of the 6.5 PRC cartridge. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using this die set.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when reloading ammunition.
- Keep your workspace clean and organized to prevent accidents.
- Store all reloading components, including this die set, out of reach of children and pets.
- Follow local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the die set can lead to dangerous ammunition that may cause injury or damage.
- Always check for any visible damage to the die set before use.

- **Avoiding Hazards:**

- Do not exceed the recommended load specifications for the 6.5 PRC cartridge.
- Ensure that the die set is properly installed before use.
- Use the die set only for its intended purpose.

- **Age Specific Warnings:**

- This product is intended for use by individuals who are knowledgeable about reloading and firearms. It is not suitable for children.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure your reloading press is securely mounted and stable.
2. Remove the die set from its packaging and inspect for any damage.
3. Install the FullLength Bushing Die into the press following the manufacturer's instructions.
4. Adjust the die to the desired setting according to your reloading specifications.
5. Install the Bench Rest® Ultra Micrometer Seater Die in the same manner.

- **Usage:**

1. Prepare your brass cases according to standard reloading practices.
2. Use the FullLength Bushing Die to resize the brass cases.
3. Use the Bench Rest® Ultra Micrometer Seater Die to seat bullets to the desired depth.
4. Regularly check your equipment for proper operation and safety.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in general waste. Follow proper hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the Bushing Full Length Ultra Micrometer Die Set, please refer to the manufacturer's contact information provided with the product packaging or visit the Forster Products, Inc. website.

By following these safety instructions, you can help ensure a safe and effective reloading experience. Thank you for choosing Forster Products, Inc.
