# Safety Instruction Guide for Bushing Full Length Ultra Micrometer Die Set

## Introduction

Thank you for choosing the Bushing Full Length Ultra Micrometer Die Set from Forster Products, Inc. This product is designed for reloading 308 Winchester cartridges and is made with superior manufacturing quality. To ensure your safety and the safe operation of this product, please read and follow the instructions and guidelines outlined in this document.

## General Safety Guidelines

- Always keep this product out of reach of children and unauthorized users.
- Use this product only for its intended purpose, which is reloading 308 Winchester cartridges.
- Inspect the die set for any damage or defects before each use. Do not use if damaged.
- Wear appropriate protective equipment, such as safety glasses, while using this product.
- Ensure your workspace is clean and organized to prevent accidents.
- Be aware of your surroundings and ensure there are no distractions while using the die set.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include the risk of injury from improper handling or operation of the die set.
  - There is a risk of explosive materials if the reloading process is not conducted properly.
- **Avoiding Hazards:**
  - Always follow the manufacturer's instructions for reloading.
  - Do not exceed the recommended load limits for the cartridges.
  - Store all components, including powders and primers, in a cool, dry place away from heat sources.
  - Never smoke or have open flames near your reloading area.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your reloading press is securely mounted and stable.
  2. Carefully unpack the die set from the Deluxe Die Box.
  3. Install the FullLength Bushing Die into the reloading press according to the press manufacturer's instructions.
  4. Insert the Bench Rest® Ultra Micrometer Seater Die into the press and adjust it to the desired seating depth.
- **Usage:**
  - Always refer to the reloading manual for the specific cartridge load data.
  - Use the appropriate tools for measuring and adjusting the bushing and seating depth.
  - Ensure that the cartridge cases are clean and free from obstructions before reloading.
  - After reloading, inspect each cartridge for proper seating and overall quality.

## Disposal Instructions

- Dispose of any unused or outdated reloading components according to local regulations.
- Do not dispose of hazardous materials, such as primers or powders, in regular trash.
- Contact your local waste disposal facility for proper disposal methods of hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the use of this product, please refer to the contact details provided by the manufacturer or visit their official website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience with your Bushing Full Length Ultra Micrometer Die Set. Thank you for prioritizing safety in your reloading practices.
