Safety Instruction Guide for SOLUS 308 Winchester Short Action Barreled Receiver

Introduction

Thank you for choosing the SOLUS 308 Winchester Short Action Barreled Receiver by AERO PRECISION. This guide provides essential safety instructions to ensure the safe and proper use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your barreled receiver.

General Safety Guidelines

- Ensure that all users are aware of and understand the safety guidelines before using the product.
- Always handle firearms and firearm components with care and respect, treating them as if they are loaded.
- Store the barreled receiver in a secure location, inaccessible to children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Failure to adhere to safety practices can result in accidental discharge.
- Use of incompatible components may compromise safety and functionality.

- **Preventive Measures:**

- Always ensure that the firearm is unloaded before performing any installation or maintenance.
- Use only compatible parts and accessories designed for the Remington 700 short action footprint.
- Wear appropriate eye protection and hearing protection when using the firearm.
- Do not modify the barreled receiver in any way that could affect its safety or performance.
- Keep your fingers away from the trigger until you are ready to shoot.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing barreled receiver from the stock, if applicable.
3. Align the SOLUS barreled receiver with the stock, ensuring it fits securely.
4. Install the barreled receiver using appropriate screws and tools, following the manufacturer's specifications.
5. Check that all components are securely fastened and that there are no gaps.
6. Perform a function check to ensure proper operation of the bolt and trigger before use.

- **Usage Instructions:**

- Always follow the manufacturer's recommendations for ammunition types and specifications.

- Before firing, ensure that the muzzle is pointed in a safe direction and that the area is clear of bystanders.
- Only load the firearm when you are ready to shoot.
- After use, clear the firearm of all ammunition and perform a thorough cleaning and maintenance routine.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barreled receiver is no longer in use, consult local regulations for safe disposal methods.
- Do not dispose of the product in regular household waste. Contact your local authorities for guidance on proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the SOLUS 308 Winchester Short Action Barreled Receiver, please refer to the manufacturer's contact details provided with the product.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SOLUS 308 Winchester Short Action Barreled Receiver. Thank you for your attention to safety.
