# Safety Instruction Guide for SOLUS CHASSIS NVG MOUNT

## Introduction

Thank you for choosing the SOLUS CHASSIS NVG MOUNT by Aero Precision. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a night vision bridge compatible with Aero Precision Solus Competition Chassis.
- Always handle the product with care to avoid any physical injury.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and pets to prevent accidental injury or misuse.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Compatibility:** Only use the SOLUS CHASSIS NVG MOUNT with Aero Precision Solus Competition Chassis. Using it with incompatible products may lead to unsafe conditions.
- **Installation:** Follow the installation instructions carefully to avoid incorrect assembly which could compromise safety.
- **Usage Environment:** Use the product in a safe environment, free from hazards that could cause injury or damage to the product.
- **Night Vision Devices:** Ensure that any night vision devices used with the mount are properly secured and compatible to avoid accidents.
- **Maintenance:** Regularly clean and maintain the product according to the manufacturer's recommendations to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the appropriate tools for installation.
- Align the SOLUS CHASSIS NVG MOUNT with the designated attachment points on the Aero Precision Solus Competition Chassis.
- Secure the mount using the provided hardware, ensuring all screws are tightened adequately.
- Doublecheck the stability of the mount before attaching any night vision devices.

### 2. Usage:

- Once installed, carefully attach your night vision device to the SOLUS CHASSIS NVG MOUNT.
- Ensure that the device is securely fastened and that there is no wobbling or movement.
- Test the setup in a controlled environment before using it in the field.
- Always follow the manufacturer's guidelines for the night vision device you are using.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling components where possible to minimize

environmental impact.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the appropriate contact resources provided by the manufacturer.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SOLUS CHASSIS NVG MOUNT. Always prioritize safety and reach out for support if needed. Thank you for your attention to these important guidelines.
