Safety Instruction Guide for SINGLE SHOT SLED FOR MOSSBERG PATRIOT

Introduction

Thank you for choosing the SINGLE SHOT SLED FOR MOSSBERG PATRIOT. This product is designed to convert your Mossberg Patriot rifle into a singleshot configuration, enhancing its versatility for various shooting applications. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store the product and any associated firearms securely and out of reach of children.
- Ensure that you are familiar with the operation of your Mossberg Patriot rifle before using the SINGLE SHOT SLED.
- Use only the specified cartridges: 308 Winchester, 300 AAC Blackout, 6.5 Creedmoor, and 350 Legend.
- Regularly inspect the product for any signs of wear or damage.
- Do not modify the product in any way that could compromise its safety or function.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure the firearm is completely unloaded before installing the SINGLE SHOT SLED.
- Follow the installation instructions carefully to avoid improper use.
- Do not exceed the recommended cartridge capacity of 1 round.
- Only use the product in conjunction with the compatible Mossberg Patriot model.
- Avoid using the product if it shows any signs of damage or malfunction.
- Keep fingers away from the trigger until ready to shoot.
- Ensure that the safety mechanism on the firearm is engaged until ready to fire.

Instructions for Installation and Usage

1. Installation of the SINGLE SHOT SLED:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Remove the existing magazine from the Mossberg Patriot.
- Insert the SINGLE SHOT SLED into the magazine well until it clicks into place.
- Ensure the sled is securely fitted and does not wobble or move.

2. Loading the SLED:

- Open the bolt of the rifle.
- Insert one cartridge into the SINGLE SHOT SLED.
- Close the bolt carefully, ensuring that the cartridge is properly chambered.

3. Firing:

- Ensure that your shooting area is safe and that you have a clear line of sight.
- Engage the safety mechanism until you are ready to fire.
- Aim and fire only when it is safe to do so.
- After firing, open the bolt and remove the spent cartridge from the chamber.

4. Unloading the SLED:

- Always unload the firearm in a safe direction.
- Open the bolt and remove the cartridge from the SINGLE SHOT SLED.
- Ensure the firearm is completely unloaded before storing or handling.

Disposal Instructions

- Dispose of the SINGLE SHOT SLED in accordance with local regulations regarding nonhazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for specific disposal instructions.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SINGLE SHOT SLED FOR MOSSBERG PATRIOT, please reach out to the designated support channels available in your region.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your SINGLE SHOT SLED FOR MOSSBERG PATRIOT. Always prioritize safety and responsible usage.
