## Introduction

Thank you for choosing the Single Shot Adapter for Savage Axis. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this guide carefully to understand the safe use, installation, and disposal of the product.

## General Safety Guidelines

- Always treat firearms and accessories with the utmost respect and caution.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to authorities immediately.
- Stay informed about recalls and safety updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the adapter only with compatible Savage Axis & 110 models.
- Ensure that the rifle is unloaded before installing or removing the adapter.
- Do not modify the adapter or the rifle in any way.
- Always wear appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the factory magazine from the rifle.
- Insert the Single Shot Adapter into the magazine well until it is fully seated.
- Confirm that the adapter is securely in place.

### 2. Usage:

- Load a single cartridge into the adapter.
- Close the action of the rifle and ensure it is ready to fire.
- After firing, manually extract the spent casing and load another cartridge as needed.
- Always check that the rifle is clear of obstructions before firing.

### 3. PostUse:

- After use, remove the adapter and clean it according to the manufacturer's recommendations.
- Store the adapter and the rifle in a secure location, separate from ammunition.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous waste.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.
