

# AR-15 TAKEDOWN PIN TOOL - BROWNEllS BRN AR-15 TAKEDOWN PIN TOOL, BLACK

[Gunsmith Tools](#) > [Rifle Tools](#) > [Receiver Tools](#)

Remove Those Finicky Pins Quickly Without Marring Your Gun's Finish Every AR shooter should have this handy tool! The Brownells AR-15 / AR-308 Takedown Pin Removal Tool makes it easy to coax the takedown and pivot pins out of your rifle so you can separate the upper and lower receiver assemblies for cleaning or maintenance. Unlike a traditional steel pin punch, the polymer tip of this tool will not scratch or damage the ends of the pivot and takedown pins or the receiver itself, if you should slip. Yes, it does work on both pins - we called it the "Takedown Pin Removal Tool" to keep the name manageable! This little tool is actually multiple tools in one. Remove the punch tip and flip it around, and you have a second tool for depressing the magazine release button to aid in magazine catch installation. Remove the tip completely to reveal a stainless steel pin punch for pushing out your AR's hammer and trigger pins or even for Glock® pistol disassembly. Since the entire tool is about the size of a house key, we put a keyring loop on it, so you can put it on your key ring and always have it with you when you need it. Removes AR-15 pivot and takedown pins quickly & easily Includes tool for removing magazine release button Plus a stainless steel hammer & trigger pin punch Rugged, polymer construction won't mar gun or pin finishes Easily fits on a key ring, in your pocket, or in a range bag To eliminate one of the problems with two-piece tools, the removable tip is held in place by a powerful magnet, so you won't reach for your AR-15 / AR-308 takedown pin removal tool and suddenly discover part of it is missing. The oversized contact surface on the ergonomically shaped handle gives you extra leverage for budging out a stubborn pivot or takedown pin. Get one today, and never worry about having trouble disassembling your AR again!

# Safety Instruction Guide for AR15 Takedown Pin Tool

## Introduction

Thank you for choosing the Brownells AR15 Takedown Pin Tool. This tool is designed to assist you in safely removing the takedown and pivot pins of your AR15 or AR308 rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Do not use the tool for any purpose other than its intended use.
- Store the tool in a safe and secure location when not in use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the takedown pin tool.
- Avoid applying excessive force when using the tool to prevent damage to the firearm or tool.
- Use the tool in a welllit area to ensure visibility and accuracy during use.
- Be cautious of sharp edges on the firearm when removing or installing pins.
- Do not use the tool if it appears damaged or worn.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather the necessary tools, including the Brownells AR15 Takedown Pin Tool.

### 2. Using the Takedown Pin Tool:

- Identify the takedown and pivot pins on your rifle.
- Insert the polymer tip of the tool into the pin hole of the takedown or pivot pin.
- Gently coax the pin out by applying consistent pressure.
- If resistance is encountered, reassess the angle and pressure applied to avoid damaging the pin or tool.
- For magazine release button installation, remove the punch tip and use the other end to depress the button.

### 3. PostUse:

- After use, clean the tool if necessary and store it securely.
- Check the firearm to ensure all components are properly reassembled.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's website or contact their customer service. Ensure that you have the product details on hand for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of the Brownells AR15 Takedown Pin Tool. Thank you for your attention to safety.
